

OUR VOICE. OUR VOTE. OUR POWER.

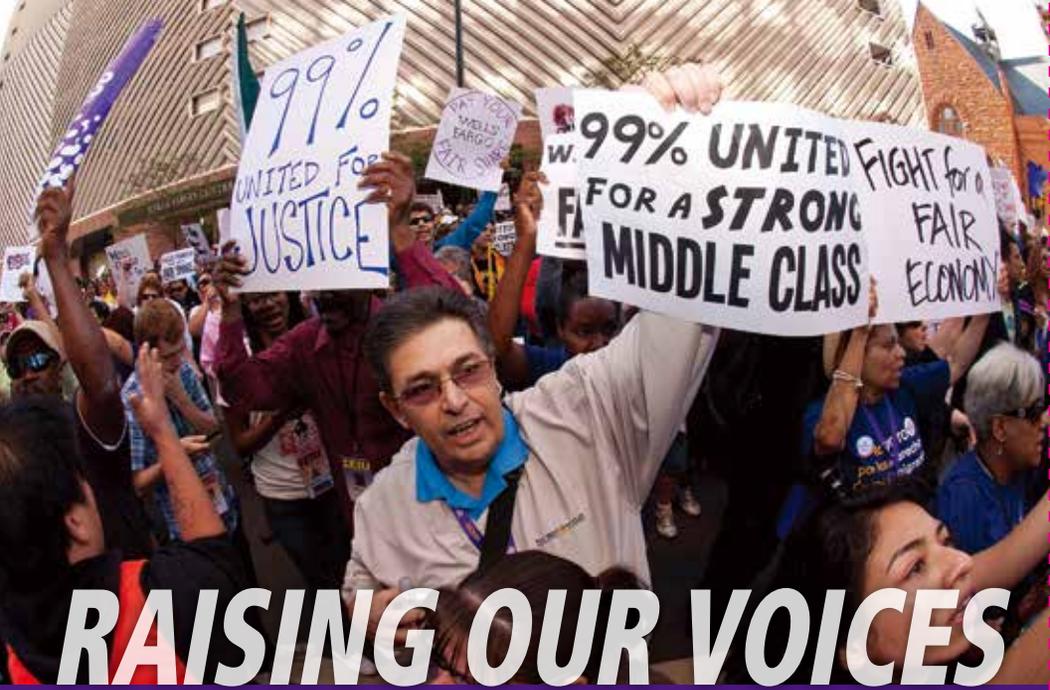

In 2012 our voices were clear on Election Day: we need to end policies that put the interests of big corporations and the richest 1% ahead of the needs of working people, our kids, and seniors. Now it's time to hold politicians accountable to do what's right.

COPE is our voice, our vote, and our power. While wealthy special interests try to buy elections, COPE — our political fund — combines the small contributions of hundreds of thousands of SEIU members to give us a powerful voice in politics.

Together, let's fight and win for working families.

RAISING OUR VOICES FOR JUSTICE

United, we will lead the fight to:

- Stop devastating cuts to vital services that our communities rely on
- Invest in our schools and higher education to give our children the best shot at success
- Protect & strengthen Medicare, Medicaid, and Social Security
- Hold politicians accountable for making our economy work for all Americans, and the wealthiest pay their fair share, like the rest of us
- Elect leaders that will partner with public workers to deliver quality services to our communities
