Any employee married to another benefited City employee who is covered under his or her spouse's plan may waive coverage under the Cafeteria Plan and will receive full credit.

Any employee who declines medical insurance coverage may enroll in the City medical plan prior to the next open enrollment only if the employee involuntarily loses the coverage. Enrollment application must be received in Human Resources within 30 days from loss of coverage.

The employee, through payroll deductions, will pay any premium cost in excess of the Cafeteria Plan Allotment.

The City shall provide a comparable or replacement benefit to any benefit lost as a result of compliance with the ACA, including a “Cadillac Tax.” The aforementioned comparable or replacement benefit shall be up to, but not exceed the Allotment amount, as provided for in Article 2.09(I) (currently \$13,900 for 2015), less any remaining or non-impacted Allotment amounts. The aforementioned Allotment amount shall also not be increased to account for taxation benefits. The City shall also, to the extent necessary, earmark and set aside the impacted Allotment amounts (provided for in Article 2.09(I) [Cafeteria Plan]) so that they may be used to provide the aforementioned comparable or replacement benefit. The City shall endeavor to ensure that any plan design changes will have the least impact on employees as possible and still comply with the ACA.

This re-opener shall be used only to ensure ACA compliance, including a “Cadillac” tax.

This benefit is calculated on 26 pay periods per fiscal year. Permanent part-time employees shall receive sick leave pay in the proportion that such part-time employment bears to full-time employment. A person who has held a position with temporary or interim status and is appointed to a position with permanent status, without a break in service, may have such time credited to sick leave upon the recommendation of the Appointing Authority and the Human Resources Director and with the approval of the City Manager.
- III. Maximum Sick Leave Accumulation - Unused sick leave may be accumulated in an unlimited amount.
- IV. Sick Leave Use - Sick leave balances shall be reduced for actual time not worked to the nearest quarter hour for reasons allowable under this section. Absence for illness may not be charged to sick leave not already accumulated.

In order for sick leave to be approved, the employee must call his or her supervisor within one-hour of the time to begin work. If the supervisor is unavailable, the employee must leave word with a designated individual that he or she is too sick to come to work or has a contagious condition that would make his or her presence at the worksite dangerous

for other employees. In cases where it is impossible to call (e.g., in hospital, unconscious, or other legitimate reasons) the supervisor shall withhold approval of sick leave until the employee can explain why he/she did not call within the one-hour. The supervisor will then make a determination as to the allowability of sick leave use.

- V. Sick Leave Verification - The City may, in its discretion, require a medical provider's certificate and/or a personal sworn affidavit stating that the employee is unable to perform the essential functions of his or her job in order to determine eligibility for sick leave. If an employee is to be required to furnish a doctor's certificate, the employee shall be notified by his or her supervisor that a medical providers certificate shall be required when the employee notifies the City that he or she will be absent by reason of illness or disability of themselves or an immediate family member.

Sick leave verification may be requested at any time it appears there is a pattern or practice of sick leave use that could be related to abuse, regardless of whether or not the individual has a sick leave balance on the books. Exhaustion of sick leave balances does not automatically trigger the verification requirement. When verification is required, the employee must show immediate improvement in leave usage. Sick leave will then be monitored for a period of six-months. If at any time during that period there is any abuse of sick leave, the employee will be subject to disciplinary action up to and including termination.

VI. Sick Leave Reimbursement

- A. Employees using thirty-two hours (32) of sick leave, or less, during the fiscal year, shall have the option of converting twenty-five percent (25%) of their remaining yearly sick leave to pay.
- B. Pay shall be computed based on the following schedule and all computations shall be rounded to the nearest whole hour:

REMAINING YEARLY SICK LEAVE	PAY OPTION (25%)
96 hrs	24 hrs
88 hrs	22 hrs
80 hrs	20 hrs
72 hrs	18 hrs
64 hrs	16 hrs
56 hrs or less	0

- C. If the pay option is selected, the paid sick leave hours shall be subtracted from the employee's accumulated yearly sick leave balance. The remaining sick leave

hours shall be carried over and accumulated. (Example: Employee uses 32 hours of sick leave. He or she then elects to receive pay for 25% of the remaining hours as payment, or 16 hours. The 16 hours are subtracted from his or her remaining yearly sick leave and the other 48 hours are added to the employee's accumulated sick leave balance.)

- D. Payment will be made during the month of July of each year. Pay will be computed based on the employee's salary on June 15.
- E. Payment will be made only to employees on the payroll twelve (12) consecutive months prior to the payoff calculation. Permanent employees who retire during the fiscal year will be compensated under this plan based upon their formal retirement date. Prorated payments will not be made to an employee who terminates during the fiscal year. However, in the event of the death of an individual while employed by the City, 100% of the employee's unused, accumulated sick leave will be paid to the appropriate beneficiary as prescribed by law.

I. Termination of Sick Leave Balances

Upon the independent determination of CalPERS that a non-safety employee is disabled from the performance of their duties, the employee shall not be entitled to use any remaining sick leave to cover absence beyond their FMLA entitlement. Sick leave balance may be applied to applicable PERS service credit. An application for a disability retirement, either employee or employer initiated, shall not affect the employee's rights under Workers Compensation laws.

ARTICLE 3.04 BEREAVEMENT LEAVE

When an employee with permanent status is compelled to be absent from work because of the death of an immediate family member as defined in the IRS, or any other person living in the same household or those defined in subsection 2 of this article; and after such employee makes written request and receives written approval from their Appointing Authority when staffing permits, such employee shall be allowed to use their leave balances for up to five (5) working days, plus three (3) travel days.

1. The employee shall be granted time off without loss of pay to attend the funeral of a deceased current co-worker at the discretion of the supervisor for up to two (2) hours.
2. In the case of death of a member of the employee's immediate/extended family, an employee shall be allowed up to five (5) working days of bereavement leave. Members of the immediate/extended family are normally considered to be the spouse, registered domestic partner, children, father, mother, brothers, sisters, grandparents, grandchildren, father/mother-in-law, sister/brother-in-law, or daughter/son-in-law. Also included as

extended family are step-family members who have at any time lived in the household with the employee.

3. For absences to attend the funeral of a relative other than a member of the immediate/extended family or friend, an employee shall be allowed up to one day of bereavement leave and shall use their accumulated leave.
4. Bereavement leave for part time employees shall be pro-rated, that is, in the ratio of the average part-time work-week to a forty (40) hour week.

ARTICLE 3.05 HOLIDAYS

- I. The City will be closed on the following hard holidays: Independence Day, Labor Day, Veterans Day, Thanksgiving, Day after Thanksgiving, Christmas, New Year's Day, Martin Luther King Jr.'s Birthday, Cesar Chavez Day, Memorial Day.
- II. Employees who work a flexible schedule (a 4-10 shift schedule for example) and who cannot observe a normal holiday schedule:
 - A. If a hard holiday falls on the employee's regularly scheduled day off, the employee will receive eight (8) hours holiday pay. The employee must use the appropriate number of hours of vacation or holiday time to supplement the eight-hours (8) of holiday time in order to reach 40-hours for that workweek, if the normally scheduled shift was greater than eight (8) hours.
 - B. If a hard holiday falls on an employee's regularly scheduled workday and the employee takes that day off, he or she will receive eight (8) hours of holiday pay for that day. The employee must use the appropriate number of hours of vacation or holiday time to supplement the eight-hours (8) of holiday time in order to reach 40-hours for that workweek, if the normally scheduled shift was greater than eight (8) hours.
- III. Floating Holidays
 - A. Amount - Effective the first pay period of the fiscal year during this MOU, employees shall be credited with eight (8) hours Floating Holiday time each for Lincoln's Birthday, Washington's Birthday, and Admission Day. Permanent part-time employees paid at a bi-weekly rate shall be credited floating holiday time in the proportion that such part-time employment bears to full-time employment. Employees may take floating holiday time at their discretion, subject to staffing needs and with the approval of their Appointing Authority.
 - B. Floating Holiday Use – Employees using floating holiday time before the holiday passes and subsequently leaving City service will be charged for such time.

Employees who do not use their floating holiday time before June 30 of the fiscal year will lose such time. The smallest unit of time chargeable to floating holiday time is one half hour.

IV. Management Leave

- A. MM/PROF Middle Managers/Professionals will receive 88 hours of Management Leave each fiscal year.

ARTICLE 3.06 JURY DUTY

- I. They must present to their supervisor the court order to appear for jury duty at least three (3) weeks prior to their date to report.
- II. The employee must submit a daily court authorized, stamped time card accounting for all hours of required service ordered by the court.
- III. If jury service and travel time from court to work is less than five (5) hours (7 hours for person on a 4/10 plan) in a work day, the employee is expected to return to work unless a justification is provided and approved or pre-authorized leave is approved.
- IV. Employees who are required to serve jury duty on their scheduled days off will not be compensated for this time and may keep any fees paid by the court.
- V. If the employee is not required to report for jury duty on any particular day(s) the employee is then expected to be at work as per his or her normal schedule.
- VI. It is the employee's responsibility to inform his or her supervisor on a daily basis if they are required to report for jury duty the following day. This may include calling the supervisor after or before normal working hours.
- VII. Absence due to jury duty will be submitted on the City leave form.

ARTICLE 3.07 COURT LEAVE

The Human Resources Director, after consideration of the recommendation by the Appointing Authority, may grant or deny such request. Approval shall not be unreasonably withheld. If granted, jobs may be shared on an hourly or daily basis. All legally permissible benefits will be pro-rated. Each employee shall be notified, in writing, by the Appointing Authority (as defined in the City Charter) at the time of the appointment and such notification will clearly define the benefits to which each employee is entitled.

- II. Should any unit employees during the term of this Memorandum of Understanding breach the obligations of Paragraph I, the City Manager or his or her designee shall immediately notify MM/PROF that an alleged prohibited action is in progress.

-
- III. MM/PROF shall as soon as possible, and in any event, within eight working hours disavow any strike or other alleged prohibited action, shall advise its members orally and in writing to immediately return to work and/or cease the prohibited activity and provide the City Manager with a copy of its advisement or, alternatively, accept the responsibility for the strike or other prohibited activity.

ARTICLE 4.02 CLASSIFICATION STUDIES

The Human Resources Department conducts on-going classification and compensation studies pursuant to the provisions of the Civil Service rules. In the event MM/PROF wishes to request a classification or compensation study for an individual or a classification, it may do so by providing a written request to the Director of Human Resources. Written requests must provide significant justification to support the request for the study.

ARTICLE 4.03 FITNESS FOR DUTY

The parties agree that physical and mental fitness of City employees are reasonable requirements to perform the duties of the job and instill public confidence. Recognizing these important factors, the parties agree that during the term of this MOU, the City with reasonable cause, may require medical and psychological assessments of employees, provided the City pays and provides time off without loss of pay for such assessments. All such assessments shall be done by appropriately qualified health care professionals. It is understood that the assessment regimen performed by said professionals shall be reasonably related to the requirements and duties of the job.

Any treatment or remedial action shall be the full responsibility of the employee, except as otherwise provided by law or as may be provided through the Employee Assistance Program (EAP) for City employees.

The nature of the assignment will depend on the physical restrictions of the employee as stated by the treating physician and the availability of a modified position in the department that is consistent with the physical restrictions. Notwithstanding the above, the acceptance of a modified duty assignment, if available, will be mandatory.

ARTICLE 4.06 DIRECT DEPOSIT

All employees hired after the effective date of this MOU, as a condition of employment will be required to provide authorization to the City's Director of Finance to electronically deposit their paychecks to a financial institution of their choice.

The superior shall hear the grievance and give his or her written decision to the employee within seven (7) working days after receiving the grievance.

Step 3

Grievance to Appointing Authority.

If the employee and superior cannot reach an agreement as to a solution of the grievance or the employee has not received a written decision within the seven (7) working days' limit, the employee may within seven (7) working days present his or her grievance in writing to his or her Appointing Authority. The Appointing Authority shall hear the grievance and give his or her written decision to the employee within seven (7) working days after receiving the grievance.

Step 4

Section 6.

The arbitrator may make a written report of their findings to the Association and the City within fifteen (15) working days after the hearing is concluded. The arbitrator shall make rules of procedure. The decision of the arbitrator shall be advisory to the City Manager who shall render a final decision within ten (10) working days.

The arbitrator shall have no authority to amend, alter, or modify this agreement or its terms and shall limit recommendations solely to the interpretation and application of this agreement. The above time limits of this provision may be extended by mutual agreement.

- (3) Each grievance or dispute will be submitted to a separately convened arbitration proceeding except when the City and the Association mutually agree to have more than one grievance or dispute submitted to the same arbitrator.
- (4) The City and the Association shall share the expense of arbitrators and witnesses and shall share equally any other expenses, including those of a stenographer, if required by either party. If either party elects not to follow the advisory decision rendered by the arbitrator, that party shall pay the entire cost of the arbitration process, including the expense of the arbitrator, witnesses, and/or stenographer.
