3. Sheriff's Department and Aging and Independent Services. In order to be considered for reassignment to a future vacancy within the employee's class, an employee may submit a request for reassignment in advance of any vacancy posting.
4. In the event the qualifications of two (2) or more employees who wish reassignment to a vacancy are substantially equal and no significant differentiation can be made between their qualifications, the employee with the most overall County seniority shall be selected to fill the vacancy.

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BONUSES (Cont'd)

In filling any vacancy, the department shall fully consider all requests for reassignment made by a fully qualified employee prior to the hiring of new employees.

In order to provide quality patient care and/or meet operational requirements, management retains the discretion to fill vacancies and to make all assignments and administrative changes on the basis of employee qualifications without regard to seniority. This discretion will be exercised by management reasonably and in a non-punitive manner.

F. Registered Nurses Substitute List

Management shall establish a list of eligible Registered Nurses to provide relief for sick leave and other personnel shortages. Nurses on this list will either have prior Registered Nurse experience at the facility where they are relieving or other equivalent experience which would qualify them for working at the facility.

G. Job-Sharing/Part-Time Requests

Employees may request to participate in job-sharing or become permanent part-time employees. Such requests are to be presented to the employee's immediate supervisor and the appointing authority. The Department of Human Resources' voluntary transfer list may also be utilized by employees, especially those interested in job-sharing or permanent part-time positions in other departments.

H. Rest Periods

Employee work schedules shall provide for a rest period not to exceed fifteen (15) minutes during each half-work day. The rest period is to be taken at approximately the midpoint of each half-work day, if work and coverage reasonably permit. If work or coverage do not reasonably so permit, then the rest period is to be taken as time is available, but not so as to shorten the work day or lengthen the lunch break. Rest areas shall be open to employees for use as such during regular work hours except when conferences have been scheduled for their use.

Any subject, which is allowable for discussion before, during, or after work, is allowable during the rest period in rest areas.

Section 2. Overtime Work and Compensation

- A. This Section is intended only to provide the basis for the calculation of and payment for overtime and shall not be construed as a guarantee of hours of work per day or per pay period.

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BONUSES (Cont'd)

- B. Full-time and permanent part-time employees' overtime is authorized or ordered work, actually worked by an employee, which is in excess of the full regularly scheduled work period as defined in Article 5, Section 1.B.1 of this Agreement. No full-time or permanent part-time employee will be paid overtime unless he/she actually works more than the total number of hours in the full (80 or more) work period as defined hereinabove.

Employees will be given as much notice as possible when working non-emergent overtime.

C. Irregular Schedules

For employees in exempt classes, when a mutually-agreeable irregular work schedule is adopted as the employee's routine work schedule, and such schedule results in the employee working more, or less, than forty (40) hours in a week, but which schedule totals eighty (80) hours in a biweekly pay period, the hours worked in the weeks which exceed forty (40) hours shall not be considered overtime in accordance with the definition of work period hereinabove.

D. Computation of Overtime

Computation of overtime shall be based on the employee's regular rate of pay. This regular rate shall include the base rate for the employee's classification plus all differentials or bonus rates to which the employee would be entitled for the overtime work performed.

E. Exclusion of Leave from Hours Actually Worked

Notwithstanding any other policy, practice, rule, regulation or Memorandum of Agreement provision (except Section 3, "Call-Back Work") to the contrary, any absence including, but not limited to, paid sick leave, disability leave, vacation, holiday, reporting for a draft board, compensatory time off or the investigation, preparation or presentation of a grievance, or other release time granted for an employee to engage in lawful employee organization activity, or unpaid work furlough or any other paid or unpaid time off which may be infrequent, sporadic or unpredictable, shall not be counted as hours actually worked during a work period when establishing eligibility for any type of overtime compensation.

F. Compensation for Overtime

Compensation is defined as either cash payment or compensatory time off, or a combination of cash payment and compensatory time off, in accordance with the overtime code for the employee's class. Employees shall have their overtime hours computed as follows:

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BONUSES (Cont'd)

- Code "N"
(FLSA Covered) – Employees covered by FLSA are eligible for overtime at time and one-half cash or compensatory time off.

- All employees – All employees are eligible for a minimum of three (3) hours call-back overtime at time and one-half cash or compensatory time off (4.5 hours).

- Code "E"
(FLSA Exempt) – Employees exempt from FLSA are eligible for straight cash or compensatory time off.

Appendix B of this Agreement set forth the overtime codes for each class.

The decision to pay for overtime worked in cash or compensatory time off shall be at the reasonable, justifiable, discretion of the appointing authority. Employees may request in advance their preference for cash or compensatory time off. The appointing authority shall grant the request if it meets the operational and/or funding needs of the Department. The decision of the Appointing Authority or Designee is final. An employee shall not be denied overtime opportunities due to requested preferences made pursuant to this section.

The County and the Union shall cooperate to maximize the ability of employee request to be honored. The parties may meet quarterly to review the status of overtime/comp or upon request of the union.

G. Accrual of FLSA and Non-FLSA Compensatory Time Off

When an employee is allowed to accumulate FLSA and non-FLSA compensatory time off, such accruals shall be limited to a maximum of one hundred twenty (120) hours of FLSA compensatory time and forty (40) hours of non-FLSA compensatory time at the beginning of a biweekly pay period. Balances which exceed forty (40) hours for non-FLSA compensatory time will automatically be reduced to forty (40) hours.

Employees who have accumulated FLSA compensatory time off that reach one hundred twenty (120) hours, shall be paid cash for overtime hours actually worked over the maximum FLSA compensatory time balance of one hundred twenty (120) hours.

Employees will be given the opportunity to take off accumulated compensatory time before exceeding forty (40) hours or having their accumulation reduced. When granting compensatory time off, the appointing authority will give consideration to the desires of the employee.

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BONUSES (Cont'd)

An employee shall have fifteen (15) working days advance notice before being required to take FLSA or non-FLSA compensatory time off. This 15-day notice shall not apply to departments headed by elected appointing authorities unless approved by said elected appointing authorities. If possible, the appointing authority will attempt to provide more than fifteen (15) working days advance notice to an employee before the employee is required to take compensatory time off.

An employee, who has reached eighty percent (80%) of the maximum accrual limit of compensatory time off, may request the appointing authority to pay off a specified amount of FLSA ("N" coded) compensatory time which was earned and credited while actually working in an overtime status. When pay off is approved by the appointing authority, it shall be paid on an hour for hour basis at the employee's current rate.

If employees have not been given the opportunity to take off accumulated compensatory time prior to the deletion of the time from their individual County Comp Time account, they may request restoration of that time by completion of the employee portion of the Compensatory Time Restoration Request Form.

Employees who are laid off shall receive compensation for unused compensatory time (See: Article 10, Section 7 (I) - "Cash in Lieu of Compensatory Time Off") earned after April 15, 1986, in an FLSA-covered status. Such compensation shall not exceed one hundred twenty (120) FLSA or forty (40) non-FLSA hours.

If an employee transfers for any reason other than discipline or demotes in lieu of layoff to a classification whose maximum allowable accumulation of compensatory time off is less than that of this Section (120 FLSA and 40 non-FLSA hours), such employee shall be given a one-year period after such transfer or demotion to reduce accumulated compensatory time off to the lower accumulation.

All unused compensatory time will be paid off in the event of the death of the employee.

H. Residential Care Facilities

Employees employed in a County hospital or facility primarily engaged in the care of persons who are sick, the aged, or the mentally ill, which persons reside on the premises, may be compensated at a rate not less than one and one-half times the regular rate for any work actually performed in excess of eight (8) hours in any workday and in excess of eighty (80) hours in a fourteen (14) consecutive day work period.

Section 3. Call-Back Work

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BONUSES (Cont'd)

- A. Call-back work is work required of an employee who, following completion of the employee's work day and departure from the employee's work site, is ordered to report back to duty to perform necessary work.

To qualify for this call-back provision, an employee must leave the place from which the employee is called and actually report to a work site. Neither changes in a shift or work schedule when at least fifteen (15) hours advance notice is given, nor service performed on a regular standby shift, shall constitute call-back work.

An employee who is called back, as defined above, shall receive a minimum of three (3) hours time at either time and one half pay or compensatory time at time and one-half for a minimum of three (3) hours. The decision to pay for overtime worked in cash or compensating time off shall be the sole discretion of the appointing authority and is non-appealable by the employee.

Paid leave shall not affect compensation for hours actually worked in excess of three hours and not a part of a regular work shift for covered or exempt employees called back during a work period (pursuant to Section 2.B. above). Actual work performed in excess of three (3) hours and not part of a regular work shift shall be compensated as overtime in the same manner such employees (covered or exempt) receive scheduled overtime compensation.

Upon mutual agreement between the employee and the appointing authority, call-back overtime hours actually worked may be used to delay the start of the next work day.

- B. An employee contacted by the department during his/her off duty hours and required to perform services without leaving the place of contact, shall receive compensation for such time worked in the same manner such employees receive scheduled overtime compensation. To be eligible for such compensation, employees must be authorized and ordered by the department to perform such services.
- C. Call-back shall also include an order to appear before a court where the employee is representing the County and not on his/her regular shift.
- D. Employees called back to duty shall, except for emergency situations, be given eight (8) hours rest in the 24-hour period which began at the start of their last normal shift. When an employee's next normal shift must be rescheduled to provide this eight (8) hours rest, non-routine shift change premium shall not be applicable.

Section 4. Standby Duty Compensation

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BONUSES (Cont'd)

D. Standby duty shall not count as time worked, except to the extent that an employee is required to, and does actually return to a work place and perform actual service.

Employees assigned to standby shall not be entitled to call-back work compensation, unless otherwise provided under the call-back provisions.

E. Standby Compensation

Employees shall be paid the equivalent of one (1) hour's compensation for each normal standby shift, provided such shift is not longer than the employee's normal workday. Work premiums designated as biweekly dollar amounts shall be added in a lump sum to the employee's biweekly compensation without regard to the employee's basic hourly rate.

Section 6. Non-Routine Shift Change Compensation

Where employees are scheduled in advance for a specific shift and specific days off for any biweekly pay period and it becomes necessary for management to change such a shift or day off to meet operational needs or cover for unscheduled absences, an employee whose schedule is changed with less than fourteen (14) calendar days' notice shall receive a thirty-five dollar (\$35) premium in addition to the prescribed biweekly salary for such employee's classification. 4. The employee is required by the County of San Diego to substitute accrued vacation or other applicable paid leave in lieu of FML unpaid leave if the employee is eligible for the paid leave according to the County's paid leave provisions. 5. Effective Dates of Eligibility Under The Flexible Benefits Plan. The effective date of eligibility under the Flexible Benefits Plan for new employees shall be the first day of the month following month of hire provided that the employee has completed and returned all enrollment forms within the month of hire. If completed forms are not received by the end of the month of hire, benefits will be effective the first day of the month following receipt of completed forms. All forms must be received in the Employee Benefits Division within thirty (30) days of hire in order for benefits to commence. Eligibility shall terminate on the last day of the month in which an employee last had paid service provided that the employee's portion of the health insurance premium is paid for such period.

Employees who do not submit completed enrollment forms within forty-five (45) days of hire will be automatically enrolled in the County's least costly health plan.

Notwithstanding the above, eligibility for all flexible benefits plan features which are in addition to health insurance shall be thirty (30) days after the effective date on which health insurance coverage begins.

6. Employee Insurance Coverage During Leaves of Absence

- a. Life Insurance. Employees on leave without pay for any reason, including suspension, may continue their life insurance coverage for up to six (6) full months. Premiums must be paid by the end of the month in which the employee had coverage.

Employees may pay all premiums required for the entire six (6) month leave period in advance. In the event an employee who is on leave without pay does not pay premiums in advance of the end of the month, the coverage shall be discontinued. Such employees shall be entitled to re-apply upon return to work subject to medical insurability acceptable to the insurance provider.

- b. Medical Insurance (Includes Health Insurance) During Leaves of Absence. During leave without pay, and in accordance with the

ARTICLE 9. EMPLOYEE BENEFITS (Cont'd)

Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1986 (Pub. L. 99-272), employees may continue their health insurance coverage for up to eighteen (18) full months following the month in which the leave commenced.

In the event an employee who is on leave without pay does not pay medical insurance premiums in advance, the coverage shall be discontinued. Such employees shall be automatically re-enrolled in the same health plan enjoyed previous to leave without pay, within thirty (30) days from the date they return to work.

Effective date of coverage will be the first day of the month following receipt of enrollment forms in the Employee Benefits Office. With certain health plans, re-enrollment is contingent upon medical insurability.

The commencement of leave without pay shall be considered a "qualifying event" as defined under COBRA by virtue of the employee's reduction in working hours. Employees who elect coverage under COBRA by choosing to continue their medical insurance shall pay one hundred two percent (102%) of the applicable premium and shall be subject to the same administrative requirements as all other COBRA group plan members. Premiums will be calculated and paid by the employee at least one (1) month in advance.

- c. The administration of these benefits is subject to the rules and requirements of the Department of Human Resources.
7. Flex credits not designated for eligible services are placed in the employee's health FSA. IRS regulations establish annual maximum limits for flexible credits which may be rolled over to an FSA. An employee is not entitled to flexible credits that, when rolled over to an FSA, exceed the maximum limits allowed by law. Any employee who is expected to have flexible credits rolled over to an FSA that will exceed the maximum limits shall have their bi-weekly flex credit contributions adjusted to an amount, that when calculated on an annual basis, will be equal to the maximum allowed by law.

Notwithstanding the above paragraph, if an employee experiences a "qualifying event" as defined by IRS and HIPAA Regulation, or has a triggering event that impacts flex credits, that employee will be allowed to change their status and have their flex benefits recalculated so as to maximize or recoup any retroactive flex benefits previously adjusted, in order to realize the maximum value

ARTICLE 9. EMPLOYEE BENEFITS (Cont'd)

of the flex benefit contribution, subject to IRS limitations.

B. Life Insurance

The County's Flexible Benefit Plan shall include as a "Core" Benefit, Life Insurance for each eligible employee in the amount of ten thousand dollars (\$10,000) for the employee and two thousand dollars (\$2,000) for each dependent.

Section 3. Health Plan Task Force

This Task Force shall be a standing committee and will meet on a mutually-agreed upon schedule (at least quarterly) to consider issues of health care delivery to employees.

This Task Force shall study activities which have the potential of limiting health plan costs without shifting costs to workers or otherwise reducing levels of benefits or quality of care. The Task Force shall develop recommendations for measures to hold insurance carriers, administrators and hospitals and physicians more accountable for controlling health care costs.

Any changes to the existing health/life insurance programs would be subject to the meet and confer process. In no event, during the term of this Agreement will there be a reduction in flex credit contribution by the County or change in benefits unless mutually agreed upon by the parties.

ARTICLE 10. PERSONNEL PRACTICES

Section 1. Personnel Files

An employee, or Union representative with the written consent of the employee, may inspect that employee's personnel file with the exception of all material obtained from other employers and agencies at the time that employee was hired. Employees shall normally request such files forty-eight (48) hours in advance of such inspection.

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

An employee shall be entitled to read any statement, written by the employee's supervisor or departmental management, on his/her work performance or conduct if such statement is to be filed. No such statement shall be filed before all County appeal rights are exhausted. If such a statement is inadvertently filed before all County appeal rights are exhausted, the employee may request sealing of the applicable portions of his/her file by the Civil Service Commission. The request for sealing may be made after a decision on the appeal has been rendered. All such statements on which filing is delayed pending completion of the County appeal process, shall be filed upon the rendering of a decision, if such decision upholds the statement or charges against the employee in whole or, if upheld in part, it shall be filed as amended.

The employee shall acknowledge reading such material by affixing his/her signature on the actual copy to be filed, with the understanding that such signature merely signifies that the employee has read the material to be filed and does not necessarily indicate agreement with its content. If the employee refuses to initial, the supervisor will sign, noting the refusal of the employee to initial. Any employee shall have the right to rebut in writing material placed in his/her personnel file and such rebuttal shall be added to such file.

Disciplinary action includes a letter of warning, written reprimand, suspension, demotion, or discharge. If the department takes disciplinary action against an employee, the department, upon request of the employee, will furnish the employee a copy of all documents or written statements used by the department as a basis for its action.

All correspondence of commendation shall be entered as a permanent part of an employee's personnel file, except where they are shown to be frivolous. In that case, they shall be returned to the employee. At the time of conferences, meetings, or hearings held for the purpose of disciplinary action as defined in the paragraph above or which the employee believes may result in disciplinary action, the employee shall have the right to representation, including Union representation.

Any document that was mistakenly placed in the employee's personnel file shall be removed from the personnel file by the Department of Human Resources upon the written request of the employee and the employee's appointing authority.

Section 2. Dismissal During Probation

Probationary employees will be given as much notice as is possible of their dismissal during probation either through the performance report or other written notification. In the event that emergency circumstances exist in which the immediate removal of an employee is essential to avert harm to the County or to the public, or in which the employee has threatened harm to the County or public, the appointing authority may remove the employee immediately.

Section 3. Nurse Evaluations

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

All departments shall follow DHR Policy 1003.

Section 4. Professional Activities Committees

Upon mutual agreement, PAC meetings may be combined with existing committees.

1. Objective. Each PAC shall address issues that affect the quality of patient care, employee working conditions, and Employee Safety (e.g. continuing education, career development, recruitment and retention). However, PACs shall not have the authority to add to, amend or modify this Memorandum of Agreement.
2. Composition. Each PAC shall be composed of union and County management representatives. The exact composition shall be determined by the committee members; however, registered nurse committee membership shall not exceed one (1) member from each work unit in the facility or division. One (1) staff representative from the union may also be included. One committee member shall be selected as the chairperson for a term of one (1) year.

The registered nurse committee members shall be elected by the registered nurses in each facility or departmental division. Following this election, the names of the nurses elected to each PAC shall be furnished to the chief nursing administrators or departmental division administrators at each facility or departmental division.

3. Meetings. Each PAC shall be authorized to meet monthly for one (1) hour or every other month for up to two (2) hours. These meetings are authorized to take place on County premises and on County time.

Issues to be included on the agenda and discussed at meetings shall be submitted to the PAC chairperson along with the names of resource people, if any, five (5) days prior to the scheduled meeting date. If

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

additional resource people are needed, a reasonable number may be called to the meeting, subject to their availability.

The committee shall maintain written minutes and shall provide copies to committee members, the chief nursing administrator(s), facility/division administrator, and the designated union representative.

The County and the Union agree to meet to discuss specific RN issues that have county-wide implications. These meetings shall be scheduled on County premises and on County time no more than twice per fiscal year, and will not exceed two (2) hours.

Designated departmental facility/division managers responsible for nursing service, one (1) elected registered nurse representative from each departmental facility/division PAC, and one (1) Union staff representative will be authorized to attend such meetings.

Agenda items shall be submitted to the Labor Relations staff member designated to facilitate the meetings fifteen (15) days in advance of such meeting. Management will respond within 30 days, when possible, to agenda items. Written minutes of each meeting shall be maintained and copies provided to committee participants.

Section 5. Nursing Practices

The County recognizes the importance of providing the highest quality nursing care to patients requiring such care. Therefore, the County will attempt to utilize Registered Nurses in classifications represented by the RN Unit in a manner that maximizes the use of their professional knowledge and skills. The County will continue efforts to provide adequate support services to allow Registered Nurses to meet basic patient needs.

Housekeeping, clerical, maintenance and other non-nursing duties shall not be required of registered nurses unless such duties are part of the regular responsibilities of the nurse or unless health and safety concerns require immediate attention or in the event of an emergency situation.

The Union and management agree to handle any disagreement which may arise regarding the application or interpretation of this new provision by seeking mutually acceptable solutions in a collaborative manner. The Union agrees to use the Grievance Procedure only as a last resort.

Section 6. Legal Representation

Upon request of an employee and subject to any limitations provided by law, the County will provide for the defense of any civil action or proceeding initiated against the

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

employee by a person or entity other than the County in a court of competent jurisdiction on account of any act or omission occurring within the course and scope of his/her employment as an employee of the County.

Nothing herein shall be deemed to require the provision of such defense where the discretion to provide or not provide such defense is vested in the County pursuant to the provisions of the California Government Code, now and as amended or where the act or omission was not within the scope of the employee's employment, or the employee acted or failed to act because of actual fraud, corruption or actual malice, or where the provision of such defense would create a conflict of interest between the County and the employee.

Nothing herein shall be construed to grant to any employee any rights or privileges in addition to those provided in the said Government Code.

Section 7. Layoff Procedure

Upon receipt of such notice, the Director of Human Resources shall give to the appointing authority, the names of the employees who should be first laid off in accordance with this procedure.

B. Exceptions

1. Suborganizational Layoff. When the appointing authority so requests, the Chief Administrative Officer may authorize an appointing authority to lay off employees within a division, office, section, institution or other subdivision of an office, department or institution instead of laying off employees from the office, department or institution as a whole. In such case, the foregoing provisions shall be applied to the division, office, section, institution or other subdivisions within which the Chief Administrative Officer has authorized the layoff. Prior to such layoff, the appointing authority shall provide the Union with notice and, upon request, shall meet on the impact of the layoff with the Union to discuss this matter and alternatives to such layoff.
2. Required Specialized Skills. When the appointing authority so requests, employees who perform required services and possess specialized knowledge, and/or skill not possessed by other employees in the Department and which are necessary to the operation of the Department, may be excepted from layoff, as authorized by the Civil Service

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

A statement that the employee has the opportunity to contact the Director or designated representative no later than five (5) business days after receipt of the Notice of Layoff to inspect the records relating to the computation of the layoff list including the employee's seniority rating and ranking, and to meet with the Director or designated representative regarding any corrections related to such list, rating, or ranking. The employee shall be informed that failure to contact or meet with the Director or designated representative within the prescribed period will be deemed a waiver of any objections that might have been raised regarding the list, rating, or ranking;
 - h. A statement that the layoff will be effective on the date indicated unless the appointing authority advises the employee in writing otherwise prior to the effective date and time set forth on the notice;

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

D. Approval and Service of Notice

The Notice of Layoff shall be approved by County Counsel prior to its distribution to any employee. The Notice of Layoff shall be served, either personally or by mail, on an employee at least thirty (30) calendar days prior to the effective date of the layoff.

Employees on leave shall be laid off or demoted in lieu of layoff as if they were active employees.

F. Seniority

Seniority is the employee's total hours of continuous County service. All service of a blanketed-in employee shall, for the period prior to classification to the position, be credited for seniority purposes whether or not it was continuous. All seniority is lost upon resignation or dismissal. Any employee who has gained permanent status and is laid off, shall, if reinstated, regain his/her seniority credit possessed at the time he/she was laid off.

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

G. Calculation of Layoff Rating

1. Continuous-service-date to May 23, 1986 ("historical" layoff rating). The purpose of this "historical" layoff rating is to calculate employees' service credit for purposes of the past to the date of the last full pay period May 9, 1986. These points will constitute employee's layoff rating for the past, to which the points calculated for prospective implementation (standard layoff rating) will be added as provided below:

Historical layoff rating: One (1) point for each hour of continuous (unbroken) service from last date employee was hired into the classified service (eighty (80) points for each full biweekly pay period).

2. Standard layoff rating. One (1) point for each hour of paid service (excludes all unpaid leaves or periods of suspension but includes short-term voluntary work furlough), after the day specified in (1) above.
3. Formula for combining historical and standard layoff ratings. Employees in classes identified for layoff shall have their seniority calculated as follows to combine historical and standard ratings:

Total historical ratings: _____ Hours
Plus: standard rating: _____ Hours
Total: _____ Hours/Points

The total of these two ratings shall constitute the employee's official layoff rating.

H. Demotion in Lieu of Layoff

The appointing authority shall determine by class, subject to review by the Director, whether demotion shall be afforded employees as an option in lieu of layoff.

At the request of the appointing authority, a permanent employee shall, in lieu of layoff, be afforded the option of demotion within the same department to a position in a lower class, provided that no such demotion shall in turn require the layoff or demotion from such lower class of any employee whose layoff rating is at least as high as that of the demoting employee. A probationary employee may be afforded the opportunity to accept a demotion within the same department to a position in a lower class provided no such demotion shall in turn require the layoff of any employee in the lower class. Such probationer shall not become permanent in the lower class by this action except by completing a new full probation period in such lower class.

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

I. Cash in Lieu of Compensatory Time Off

J. Eligibility to be Placed on Reinstatement List

A permanent employee who is laid off, demoted in lieu of layoff, or whose compensation ordinance position is to be deleted as a result of the Board of Supervisors having had a second reading of an Ordinance amendment to delete the position, shall have his/her name placed on the reinstatement list for the class from which the employee is, or is to be, laid off or demoted in lieu of layoff. Employees shall be on the reinstatement list for three (3) years except that an employee who three (3) times refuses an offer of reinstatement to the class from which he/she was laid off, or to a class of equal status, or fails to respond to an offer of reinstatement, shall have his/her name removed from the reinstatement list following said refusal.

In addition, if the employee on the reinstatement list is appointed to a class from which he/she was laid off, or to a different class of equal or greater status than the reinstatement list class, then his/her name shall be removed from the reinstatement list. An employee who accepts an offer of reinstatement to the class from which he/she was laid off shall also be removed from the reinstatement list upon the date of reinstatement. The placement on the reinstatement list shall be determined in the same manner as for the order of layoff except in the inverse order thereof. Employees on the reinstatement list shall have the first right of reinstatement to any vacancies in any department for the class for which he/she is eligible for such reinstatement, subject to the following:

1. A new probationary period shall not be required of an employee reinstated to a department from which he/she was laid off.
2. A new probationary period shall be required of an employee reinstated to a different department than that from which he/she was laid off, except that failure of probation shall return the employee to the reinstatement list. In no event shall such failure of probation extend the employee's placement on the reinstatement list beyond three years from the date of placement on it.
3. A reinstated employee will regain his/her seniority credit possessed at the time he/she was laid off, which shall count for purposes of vacation accrual rate and step increase. In addition, the employee's sick leave balance (except for that portion for which the employee paid cash at the

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

time of layoff), and compensatory time off balance accrued as of layoff, shall be reinstated.

Section 8. Safety

The County and the Union agree that safe working conditions are the mutual responsibility of each employee and supervisor. - B. The County shall provide a list of all safety officers, their department, addresses, and phone numbers to the Union. Such list shall be kept current by the County.
- C. No employee shall be obligated to work in a facility or worksite, with any machinery or on equipment which is not safe.
- D. Any employee who believes that an unsafe condition exists shall report such condition verbally to the supervisor immediately upon discovery of such condition. An employee may bring a union representative as long as it does not interfere with the immediate reporting of the safety issue. The employee shall report such condition to the supervisor in writing as soon as possible. After receipt of a written report, the supervisor shall have the responsibility to remedy the situation or to seek an opinion from qualified personnel in the County whether an unsafe working condition exists. If a determination is made that an unsafe working condition exists, corrective action process shall be initiated as soon as possible.
- E. If the supervisor fails to respond or refuses to initiate the corrective action process, the employee may present the written report to his/her Union steward, or if no steward is available, the Union field representative. Such Union officer shall be entitled to communicate with the appropriate safety officer(s) or, subsequently, the appointing authority's representative to seek a resolution of the issue.

Section 11. Drug and Alcohol Use Policy

Section 12. Alternate Work Schedule Changes

If an employee's alternate work schedule is changed to address performance issues, the employee will be given the reason(s) for the change. The employee will also be given goals to achieve and a time line for resuming their alternate schedule.

Section 13. Protective Policy

- A. This Policy shall only apply to employees employed by the Health & Human Services Agency, the Department of Housing and Investigators of the Public Defender and Alternate Public Defender.
- B. When an employee is personally threatened by an individual(s) related to a case due to job-related reasons, the employee may request that the Agency or Department conduct a prompt investigation to determine whether any one or more of the following actions would be appropriate:
 - 1. Case re-assignment;
 - 2. Temporary transfer to other duties, if available;
 - 3. Other actions as appropriate.
 - 4. If the investigation shows that the personal threat interferes with the

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

employee's performance of his/her job duties, the Agency or Department may recommend that the County file injunctive Court action against the threatening individuals(s) in conformance with Code of Civil Procedure Section 527.6 prohibiting harassment.

- C. When an employee believes that he/she is working with a potentially dangerous person, the employee must notify his/her supervisor of such a belief and the reasons therefore. At the request of the employee, the Agency or Department shall consider providing support personnel for the employee during the time he/she is working with such a person in the course and scope of the employee's duties. No employee shall be required to visit a residence or other location without police back up if information available indicates weapons are present, or recent activity which is likely to pose a threat to personal safety of the employee.
- D. When a supervisor or manager becomes aware that an individual(s) within the scope of an employee's work-related responsibility, or another employee at the work site, is considered threatening or dangerous to that employee or other identifiable employees, the supervisor or manager shall, as soon as practically possible, inform an employee(s), who has/have a work-related need to know.
- E. Each employee providing field services in the community and not exclusively in an alternative office setting with an assigned desk phone, will be provided with a fully functioning cellular phone while in the field which may be used to call for assistance from other county personnel, law enforcement, medical personnel and/or anyone else whose assistance may be required in a critical situation.

Section 14. Voluntary Transfers

Performance Appraisals and Disciplinary Actions will be considered on a case by case basis and may be a factor of denial, but will not automatically disqualify an employee for a voluntary transfer.

Section 15. Involuntary Reassignments

For purposes of this section, an involuntary reassignment shall be defined as when an employee's work location is permanently changed, within a department, from one work location to another work location.

1. The County maintains its right to reassign employees.
2. The County shall provide a minimum of one pay-period notice when reassigning employees, unless in urgent cases, in which case, the County shall endeavor to provide as much notice as possible.
3. When the County or a County Department deems it necessary to reassign an employee or group of employees; it shall first seek volunteers from among qualified, eligible employees that meet operational needs before involuntarily reassigning the employee or group of employees.

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

4. Employees who are on probation are not eligible to request a voluntary reassignment.
5. Nothing in this provision shall be construed to delay the implementation of involuntary reassignments.
6. In accordance with Departmental practices, employees will remain responsible for informing the Department of their desire to be reassigned and identify the desired location(s).
7. Any employee who is reassigned whether voluntarily or involuntarily (excluding administrative transfers) shall not be restricted from applying for or being awarded any position for which there is a posted vacancy.
8. Employees who are involuntarily reassigned, including internal reassignments and administrative transfers, shall have the first opportunity to fill a posted vacancy occurring in the program and location from which they were involuntarily transferred if :
 - a) the employee has requested a reassignment back to the originating program and location; and,
 - b) the reassignment was not made as part of a mandatory rotation; and,
 - c) 6 months has passed from the date of the involuntary reassignment; and,
 - d) the reassignment back to the originating program and location does not negatively impact the operations of the Department.

Unless other extenuating circumstances exist that impact the operations, and in accordance with section 8 a-d above, if more than one employee was involuntarily reassigned on the same date, the appointing authority shall determine which employee fills the vacancy.

9. Subject to the above provisions, the decision of the Appointing Authority shall be final.

Section 16. Employment Related Medical Exams

After October 8, 2013, all employees who are promoted into a safety sensitive position shall be subject to the provisions of County Human Resources Policy #105 Employment Related Medical Examinations.

ARTICLE 11. GRIEVANCE PROCEDURE

This grievance procedure shall be applied in resolving grievances filed by employees covered by this Agreement.

A. Definition

ARTICLE 11. GRIEVANCE PROCEDURE (Cont'd)

A grievance is defined as an allegation by an employee or a group of employees that the County has failed to provide a condition of employment which is established by this Agreement or by a departmental Policy or Procedure Manual. This grievance procedure shall not apply to matters:

1. Over which the Civil Service Commission has jurisdiction;
2. Covered by the Labor Relations Ordinance;
3. Concerning Performance Reports;
4. Concerning any other subjects, unless the subject is covered by the expressed terms of this Agreement or any portion of a departmental Policy or Procedures Manual that relates specifically to wages, hours, and other terms and conditions of employment.

B. Stale Grievance

A grievance shall be void unless filed in writing within forty-five (45) calendar days from the date upon which the County is alleged to have failed to provide a condition of employment which has been established by this Agreement, or within forty-five (45) calendar days from the time an employee might reasonably have been expected to have learned of the alleged failure. In no event shall a grievance include a claim for money relief for more than the forty-five (45) day period plus such reasonable discovery period.

C. Informal Discussion with Employee's Supervisor

Before proceeding to the formal grievance procedure, an employee shall discuss his/her grievance with his/her immediate supervisor in private and attempt to work out a satisfactory solution. If the employee and his/her immediate supervisor cannot work out a satisfactory solution, the employee may then choose to represent himself/herself individually, or he/she may request the assistance of a representative, or a steward who has been designated pursuant to Article 2, Section 6, entitled "Stewards" in reducing to writing and formally presenting the grievance.

D. Formal Written Grievance to Employee's Supervisor

If the employee chooses to formally pursue his/her grievance, he/she shall present the written grievance to his/her immediate supervisor within ten (10) calendar days after the date upon which the grieving employee informally discussed the grievance with the supervisor. The written grievance shall specify the Article, Section, and/or Subsection of this Agreement which is alleged to have been violated by the County, and shall specify dates, times, places and persons, and other facts necessary to a clear understanding of the matter being grieved.

ARTICLE 11. GRIEVANCE PROCEDURE (Cont'd)

The immediate supervisor shall return a copy of the written grievance to the employee with his/her answer thereto in writing within ten (10) calendar days after receipt of the written grievance. If the grievance is not resolved at this level, the employee shall have ten (10) calendar days from receipt of the supervisor's answer within which to file an appeal to the next level.

E. Grievance to Middle Management

The Middle Manager shall have ten (10) calendar days in which to review and answer the grievance in writing after receipt. At the employee's option, a grievance meeting shall be held at this level. The employee's representative or steward may be present at and participate in any such meeting. Nothing in this Section shall preclude the employee's Shop Steward and SEIU staff representative from both attending this meeting. If the grievance is not resolved at this level, the employee shall have ten (10) calendar days from receipt of the written answer within which to file an appeal to the Department Head. The time limit at this level may be extended by mutual agreement between Management, and the employee or his/her representative.

F. Grievance to Department Head

The Department Head, or the Department Head's designee, shall have ten (10) calendar days in which to review, and answer the grievance in writing. Unless waived by mutual agreement of the employee or his/her representative and the Department Head or the Department Head's designee, a meeting is required at this level and the employee and his/her representative shall have the right to be present and participate in such a meeting. The time limit at this level may be extended by mutual agreement between the Department Head, or the Department Head's designee, and the employee or his/her representative.

G. Waiver of Appeal Steps

If the grievance is not resolved after the immediate supervisor has answered it in writing, the grievant and the Department Head, or the Department Head's designee, may by mutual agreement waive review of the grievance at the Middle Management level and proceed to present the grievance to the Department Head.

H. Binding Arbitration of Grievances

In the event that the grievance is not resolved by the Department Head, the Union may, within thirty (30) calendar days after receipt of the decision of the Department Head or the Department Head's designee, made pursuant to paragraph F, request that the grievance be heard by an arbitrator.

A grievance involving a letter of warning shall not be subject to arbitration.

I. Informal Review by Labor Relations Office

ARTICLE 11. GRIEVANCE PROCEDURE (Cont'd)

Prior to the selection of the arbitrator and submission of the grievance for hearing by said arbitrator, the Labor Relations Office shall informally review the grievance and determine whether said grievance may be adjusted to the satisfaction of the employee. The Labor Relations Office shall have ten (10) calendar days in which to review and seek adjustment of the grievance.

J. Selection of Arbitrator

The arbitrator shall be selected by mutual agreement between the Labor Relations Office and the grievant or his/her representative. If the Labor Relations Office and the grievant or his/her representative are unable to agree on the selection of an arbitrator, they shall jointly request the State Mediation and Conciliation Service to submit a list of five qualified arbitrators. The Labor Relations Office and the grievant or his/her representative shall then alternately strike names from the list until only one name remains, and that person shall serve as arbitrator.

K. Duty of Arbitrator

Except when an agreed statement of facts is submitted by the parties, it shall be the duty of the arbitrator to hear and consider evidence submitted by the parties and to thereafter make written findings of fact and a disposition of the grievance which shall be binding. The decision of the arbitrator shall be based solely on the interpretation of the appropriate provisions of the Memorandum of Agreement applicable to the grievance, and he/she shall not add to, subtract from, modify or disregard any of the terms or provisions of the Agreement.

The provisions for arbitration are not intended and shall not be construed to empower an arbitrator to change any condition of employment, specifically covered by the Memorandum of Agreement, or to revise, modify or alter, in any respect, any provision contained in the Agreement.

L. Payment of Costs

Each party to a hearing before an arbitrator shall bear his own expenses in connection therewith. All fees and expenses of the arbitrator shall be borne one-half by the County and one-half by the grievant.

M. Effect of Failure of Timely Action

Failure of the employee to file an appeal within the required time period at any level shall constitute an abandonment of the grievance. Failure of the County to respond within the time limit at any step shall result in an automatic advancement of the grievance to the next step.

N. Inter-Departmental /Group Grievance
