**MEMORANDUM OF AGREEMENT
BETWEEN THE
COUNTY OF SAN DIEGO
AND THE
SERVICE EMPLOYEES INTERNATIONAL UNION, LOCAL 221**

SOCIAL WELFARE (SW) UNIT

October 13, 2017 through June 23, 2022

ARTICLE 1. PREAMBLE

THIS MEMORANDUM OF AGREEMENT is entered into by the County of San Diego, said political subdivision hereafter designated as "County" and the Service Employees International Union, Local 221 hereafter designated as "Union" as a mutual agreement of those wages, hours and conditions of employment which are to be in effect during the period from 8:00 a.m. on October 13, 2017, through 5:00 p.m. on June 23, 2022, for those employees working in classifications in the representation unit referred to in Article 2, Section 1 hereof. Effective dates of individual provisions shall be as set forth in the provision or as contained in the implementation schedule.

ARTICLE 2. UNION RIGHTS

Section 1. Recognition

The County of San Diego recognizes the Service Employees International Union, Local 221, as the sole and exclusive representative for all classifications in this unit.

This unit consists of all classifications as stated in the listing set forth in the Appendix.

This memorandum applies to all classifications described in the Appendix, as well as such classes as may be added hereafter by the County.

Section 2. Payroll Deduction

Upon the receipt of a written request and authorization from an employee for deduction of Union dues and other lawfully permitted deductions, the County shall withhold such dues and deductions from the salary of the employee and remit the withholdings to the Union. The effective date of withholding, time of remitting withholdings to the Union and all procedural matters shall be determined in accordance with the rules and regulations of the Auditor and Controller.

ARTICLE 2. UNIONS RIGHTS (Cont'd)

Such deductions from the pay of employees for whom the Union is the recognized representative shall be the exclusive privilege of the Union and shall not be provided for any other registered or recognized employee group.

Section 3. Maintenance of Membership

- A. Employees who are members of the Union on the effective date of this Agreement, or who thereafter join the Union, shall as a condition of continued employment, maintain their membership in the Union for the term of this Agreement.
- B. However, a member may terminate membership in the month of June during the term of this Agreement by serving notice on SEIU, Local 221 or with the Auditor and Controller of the County, that the member desires to terminate his/her union membership and dues deduction.
- C. The Union agrees to indemnify and hold harmless the County for any loss or damages or litigation costs resulting from the operation of this Maintenance of Membership provision. It is also agreed that neither the Union nor any employee shall have any claim against the County for any deductions made or not made, unless a claim of error is filed in writing to the County Auditor and Controller within thirty (30) calendar days after the date such deductions were, or should have been made.
- D. This Maintenance of Membership provision shall not apply to employees in bargaining units for which an Agency Shop arrangement has been implemented.

Section 4. Union Access

An authorized representative shall be permitted to meet with employees during their 15-minute coffee break time or lunch time to discuss work related problems. Such meetings may be scheduled in the coffee room or conference room as available.

Such representatives shall make their presence and purpose known to the Division/Section Chief or designee at the location.

County representatives shall respond promptly to access notifications (normally within one business day).

Section 5. Stewards

The Union shall have the right to designate stewards for the purpose of promoting an effective relationship between the County and employees by assisting in settling grievances at the lowest possible level of the grievance procedure. The Union may designate stewards to represent employees in the processing of appeals, from disciplinary actions, performance rating appeals, appeals resulting from denial of

ARTICLE 2. UNIONS RIGHTS (Cont'd)

workers' compensation claims and other formal appeals. Stewards will not be entitled to County time off to perform as case advocates or assistant case advocates in formal appeals proceedings.

A. Number of Stewards

The Union shall be entitled to a steward in the Health & Human Services Agency at each work facility (e.g., County Administration Center, County Operations Center, Courthouse) where there are at least ten (10) employees. Where there are more than twenty-five (25) employees, the Union shall be entitled to appoint one (1) additional steward for each additional twenty-five (25) employees or fraction thereof.

The appointing authority may request to meet with the Union regarding the placement and the number of stewards in the Agency. The placement and number of stewards may be changed by mutual agreement between the Union and the appointing authority.

B. Selection and Designation of Stewards

The Union shall determine the method of selection and shall designate stewards authorized pursuant to the provisions of this Article. Upon the selection and designation of stewards, the Union shall provide written notice to the appointing authority and the County's Labor Relations Office of the names and locations of all stewards. The Union shall provide written notice to the appointing authority and the County's Labor Relations Office of any changes to the designated stewards as they occur.

C. Duties of Stewards

When requested by an employee, a steward may investigate any alleged grievance and appeals set forth above in their assigned area. The steward shall encourage the employee to discuss a problem informally with their supervisor prior to filing a formal grievance or appeal.

Steward Representation in Appeals: Stewards shall be allowed reasonable time off during working hours, without loss of time or pay, to investigate, prepare and present appeals as set forth above.

Upon request of an employee who desires to file a formal written grievance pursuant to the grievance procedure, a steward may assist the employee in preparing the formal written grievance and may meet with the employee and the employee's immediate supervisor to attempt to resolve the grievance. In the event that the grievance is not resolved by the immediate supervisor, the steward shall have the right to represent, assist and be present with the grievant at all subsequent steps of the grievance procedure.

ARTICLE 2. UNIONS RIGHTS (Cont'd)

D. Investigation of Grievances by Stewards

In gathering information on a grievance, a steward may discuss the grievance with all employees immediately concerned.

E. Release from On-Duty Time for Stewards

Upon obtaining permission from their immediate supervisor, a steward shall be permitted to leave the normal work area during on-duty time for such time as is reasonably necessary for assisting an employee in preparing and presenting a grievance. The steward shall make prior arrangements and obtain permission from the grievant's immediate supervisor prior to entering the grievant's work area to contact the grievant. The grievant's immediate supervisor shall have the right to make arrangements for the steward to contact the grievant at a location other than the work area. If, in the opinion of the steward's supervisor or the grievant's supervisor, the time requested by the steward would unduly interfere with the maintenance of an adequate level of service, permission shall be denied and another date arranged as soon as possible when permission can be granted. Any time used by a steward to assist in preparing or presenting an employee's grievance during on-duty time shall be recorded by payroll purposes as "paid employee representative time." Any time used by a steward to assist in preparing and presenting an employee's grievance which does not occur during the steward's scheduled on-duty time shall not be considered as hours worked by the County.

F. Steward Conduct

A steward shall conform to all rules of conduct and standards of performance applicable to other employees. A steward's workload may, from time to time, be adjusted to the extent the appointing authority feels it is appropriate for proper processing of a given grievance or group of grievances. A request for such adjustment may also be made by the Union. In no event, however, shall a steward be permitted on-duty release time for the purpose of conducting general Union business which is not directly related to an employee complaint nor shall a steward be permitted to conduct such general Union business while on duty in his or her normal work area. The County shall not attempt to transfer a steward for reasons associated with his or her duties as a steward.

- G. In order to minimize telephone delays to the public, and avoid workplace disruption caused by stewards using County phones on Union representation matters, the Agency agrees to, initially, and at Agency directed subsequent moves, provide individual telephone lines at the desks of stewards designated under Article 2, Section 5.B. This does not cover subsequent changes of desk or subsequent changes of stewards that have not been initiated by the Agency.

Section 6. Employee's Appearance for the Union

ARTICLE 2. UNIONS RIGHTS (Cont'd)

The County shall grant a maximum of sixteen (16) hours time off per month without loss of compensation or other benefits to an employee representative of the Union when attending meetings of the Civil Service Commission, Labor Relations Ordinance, or the Board of Supervisors when the agenda for such meetings contains an item which directly affects the Union. No more than three (3) additional employee representatives will be granted similar time off for each appearance when they actually testify before the Civil Service Commission, Labor Relations Ordinance or the Board of Supervisors, or a scheduled meeting between the Union and the County.

Procedures to be followed for requesting and receiving release time for the purposes stated in this Section are contained in Article 2, Section 11.

Section 7. Bulletin Boards

The County will furnish adequate bulletin board space at reasonable locations for the exclusive use of the Union. The bulletin boards shall only be used for posting:

- A. Union election materials.
- B. Official business reports of the Union.
- C. Union news bulletins and meeting notices.
- D. Union membership benefits, programs, promotional information.
- E. Other written material which has been mutually agreed to by the Union and the Agency. Disputes will be resolved by the Agency Personnel Officer.

The Union shall be responsible for maintaining the bulletin boards exclusively used by the Union.

Section 8. New Employees

- A. The Agency shall, on a monthly basis, provide the Union with the Health & Human Services Agency change list with the names and other information covering employee changes in this representation unit so that Union representatives may contact the employees to inform them about the Union and this Agreement.
- B. The employer shall, during the period of initial induction, provide notice to and permit a Union representative to make a presentation to all new employees covered by this Agreement informing them about the Union and this Agreement.

Local 221 shall be the only organization to have access to new bargaining unit employees on County premises during this induction period. County

ARTICLE 2. UNIONS RIGHTS (Cont'd)

representatives shall not assist other employee organizations in their efforts to communicate with these new employees.

- C. The employer will provide a copy of this Agreement to each new employee at the time of induction. Copies of this Agreement for all incumbent employees as of the effective date of this Agreement shall be distributed by the Union to all unit employees. Each party shall bear the per-unit cost of printing copies of MOAs for distribution by the respective party to management and employees.

Section 9. Mail Stop

The County shall provide Local 221 with a mailbox at the County Mail Center.

This mailbox shall be used only for mail:

1. addressed to Local 221, from an officer or members of County management, the Board of Supervisors, or Civil Service Commission, or
2. addressed to an officer or member of County management, the Board of Supervisors or Civil Service Commission from the union, and

Section 10. Distribution of Union Material

Communications received at County offices via U.S. mail, UPS, hand delivery, or any other means shall be delivered to addressed Union representatives without unreasonable delay.

Representatives of the Union will normally distribute such Union material before or after working hours, or during lunch breaks provided distribution is done in a manner that does not interrupt normal County business.

Section 11. Release Time Procedures

Release time for stewards and/or other employees authorized to participate in activities relating to representation, shall require advance approval. Release time shall include reasonable travel time. Mileage will not be reimbursed.

- A. The following procedure shall apply to:

7. Release time for one (1) employee to attend and make a one-half (1/2) hour presentation at the Agency's orientation during formal new employee training to acquaint new employees with the Union and its services.

ARTICLE 3. NO DISCRIMINATION

In receiving the rights afforded by this Agreement, no person shall in any way be favored or discriminated against, due to their sexual orientation, or to the extent prohibited by law because of political or religious opinions or affiliations, or because of racial or national origin, or because of age or sex or disability or marital status, or union activities or membership.

A "Quality First" performance based incentive plan may be instituted in County departments. The purpose of Quality First will be to ensure the achievement of quality service and customer satisfaction.

The "Quality First" Program is a group incentive plan independent of the wage schedule. It shall not result in wages being lowered.

ARTICLE 5. HOURS OF WORK AND COMPENSATION

Section 1. Hours of Work

This Article establishes the County standard for hours of work.

Biweekly compensation prescribed in Appendix A is based on a full-time schedule of eighty (80) working hours in each biweekly pay period.

Nothing in this Agreement shall be construed as a guarantee or limitation of the number of hours to be worked per day, per work period, or for any other period of time.

A. Work Day

The standard workday shall be eight (8) consecutive hours of work exclusive of a lunch period in a consecutive twenty-four (24) hour day.

B. Work Week

The standard work period is seven (7) consecutive days within which is included two (2) consecutive days of rest in a seven (7) consecutive day period. This work period shall be forty (40) hours.

C. Payroll Period

The payroll period begins on the Friday which is the first day of the pay period and ends on the Thursday which is the last day of the pay period and consists of ten (10) standard work days and four (4) days of rest during the fourteen (14) consecutive day payroll period.

D. Twenty-Four Hour Operations

Schedules for employees who work shifts in 24-hour operations shall be established by the appointing authority and posted. Routine changes to such shifts shall be posted at least fourteen (14) calendar days prior to the effective date of the change.

Employees who report to work on shifts which begin in one calendar date and end in the next shall be compensated for the entire shift for the date the shift begins.

ARTICLE 5. HOURS OF WORK AND COMPENSATION (Cont'd)

Shifts shall not be scheduled to include split shifts, except in temporary emergency situations. Employees on shifts shall be scheduled to work ten (10) days and be off four (4) days in a fourteen (14) day work period. To the extent possible, the appointing authority will generally allow a schedule which will provide the employee with two (2) consecutive days off.

A minimum of eight (8) hours of rest will be provided between the end of one shift and the beginning of a new shift.

E. Changes

The hours of work of the office or facility shall be established by the appointing authority and may be changed to meet operational or other requirements upon fourteen (14) calendar days notice to the affected employees.

Where work schedules are regularly and routinely used, such schedules shall be posted in plain view at least fourteen (14) calendar days prior to the effective date of any routine and general work schedule change.

F. Lunch Period

The standard unpaid lunch period shall be one (1) hour; however, alternatives to a one-hour unpaid lunch period may be allowed at the discretion of the Agency when such alternatives meet operational needs.

G. Rest Periods

Employee work schedules shall provide for a rest period not to exceed fifteen (15) minutes during each half-work day. The rest period is to be taken at approximately the midpoint of each half-work day, if work and coverage reasonably permit. If work or coverage do not reasonably so permit, then the rest period is to be taken as time is available, but not so as to shorten the work day or lengthen the lunch break. Rest areas shall be open to employees for use as such during regular work hours except when conferences have been scheduled for their use.

Any subject which is allowable for discussion before, during, or after work, is allowable during the rest period in the rest areas.

Section 2. Overtime Work and Compensation

This Section is intended only to provide the basis for the calculation of and payment for overtime and shall not be construed as a guarantee of hours of work per day or per pay period.

A. Definition of Overtime

ARTICLE 5. HOURS OF WORK AND COMPENSATION (Cont'd)

Full-time employees: Full-time employees' overtime is authorized or ordered work actually worked by an employee, which is in excess of the standard work period. No full-time employee will be compensated for overtime unless he/she works more than forty (40) hours in a standard work period.

Permanent part-time employees: Part-time employees are defined as those who work a regular schedule of less than forty (40) hours in a standard work period.

Permanent part-time employees' overtime is authorized or ordered work, actually worked which is in excess of the standard 40-hour work period.

B. Calculation of Overtime

Calculation of overtime shall be based on the employee's regular rate of pay. This regular rate shall include the base rate for the employee's classification plus all differentials or bonus rates excluding the ratification bonus, to which the employee would be entitled for the overtime work performed.

Notwithstanding any other policy, practice, rule, regulation or Agreement provision to the contrary, any absence including, but not limited to, paid sick leave, disability leave, bereavement leave, vacation, holiday, jury duty, reporting for a draft board, compensatory time off, or unpaid work furlough or any other paid or unpaid time-off which may be infrequent, sporadic or unpredictable shall not be counted as hours actually worked during a work period when establishing eligibility for any type of overtime compensation.

Compensation is defined as either cash payment or compensatory time off, or a combination of cash payment and compensatory time off, in accordance with the overtime code established for the employee's class. Employees shall have their overtime hours computed as follows:

- | | | |
|-----------------------|---|---|
| Code "N"
(Covered) | – | Employees covered by FLSA are eligible for overtime at time and one-half cash or compensatory time off. |
| All-employees | – | Are eligible for a minimum of three (3) hours call-back overtime at time and one-half cash (4.5 hours pay). |
| Code "E"
(Exempt) | – | Employees exempt from FLSA are eligible for straight cash or compensatory time off. |

The decision to pay for overtime worked in cash or compensatory time off shall be at the reasonable, justifiable, discretion of the appointing authority with consideration for the employee's choice. Employees may request in advance their preference for cash or compensatory time off. The appointing authority

ARTICLE 5. HOURS OF WORK AND COMPENSATION (Cont'd)

shall grant the request if it meets the operational and/or funding needs of the Department. The decision of the Appointing Authority or Designee is final. An employee shall not be denied overtime opportunities due to request preferences to this section.

The County and the Union shall cooperate to maximize the ability of employee request to be honored. The parties may meet quarterly to review the status of overtime/comp or upon request of the union.

C. Accrual of Compensatory Time Off

When an employee is allowed to accumulate FLSA and non-FLSA compensatory time off, such accruals shall be limited to a maximum of one hundred twenty (120) hours of FLSA compensatory time and forty (40) hours of non-FLSA compensatory time at the beginning of a biweekly pay period. Balances which exceed forty (40) hours for non-FLSA compensatory time will automatically be reduced to forty (40) hours.

Employees who have accumulated FLSA compensatory time off that reach one hundred twenty (120) hours, shall be paid cash for overtime hours actually worked over the maximum FLSA compensatory time balance of one hundred twenty (120) hours.

Employees will be given the opportunity to take off accumulated compensatory time before exceeding forty (40) hours or having their accumulation reduced. When granting compensatory time off, the appointing authority will give consideration to the desires of the employee.

An employee shall have fifteen (15) working days advance notice before being required to take FLSA or non-FLSA compensatory time off. This 15-day notice shall not apply to departments headed by elected appointing authorities unless approved by said elected appointing authorities.

FLSA-covered employees who terminate shall receive compensation for unused compensatory time earned after April 15, 1986, for time actually worked not exceeding one hundred twenty (120) FLSA hours.

The appointing authority, subject to the approval of the Director, may approve payment of cash in lieu of compensatory time off at straight-time for all or any portion of an employee's accumulated compensatory time off for any employee who is laid off when such payment is in the best interests of the public service.

Section 3. Call-Back Work

A. Regular Call-Back

ARTICLE 5. HOURS OF WORK AND COMPENSATION (Cont'd)

The appointing authority may on occasion find it necessary to contact an employee who is off duty and order the employee to report back to the work site to perform necessary services.

Court Call-Back

The Court may subpoena an employee to appear in court on official business at a time which is outside the employee's regular work schedule.

B. Eligibility for Call-Back

To qualify for regular call-back compensation, the employee must have left the work site and be required to physically report back to a work site.

To be eligible for court call-back, the employee must be required to respond to the Court's subpoena by appearing in court on County business outside the employee's regular work schedule.

C. Calculation of Call-Back

Compensation of each call-back shall be based on a minimum of three hours pay at time-and-one-half, even if the employee worked less than three (3) hours during the call-back. Time worked in excess of three (3) hours shall be compensated in accordance with Section 2, Overtime Work and Compensation.

An employee call back again during the 3-hour period of an initial call-back, shall be compensated for three (3) hours of call-back duty only, except that if the second or subsequent call-back adds time worked beyond the initial three (3) hours, this time shall be compensated in accordance with Section 2, Overtime Work and Compensation. Upon expiration of the first three (3) hours of a call-back, and provided the employee has gone off duty and left the work site, an additional call-back shall be compensated as for the initial call-back.

Employee called back to duty shall, except for emergency situations, be given eight (8) hours rest in the 24-hour period which begins at the start of their last normal shift except that upon mutual agreement between the employee and the appointing authority, call-back compensation may be used to delay the start of the next work day for hours actually worked as call-back.

Section 4. Standby Duty Compensation

Standby Duty is that time during which an employee is assigned to stand by during specific hours outside the normal work period assignment, during which the employee must remain where he/she can be contacted by telephone, ready for immediate return to work to perform an essential service.

ARTICLE 5. HOURS OF WORK AND COMPENSATION (Cont'd)

Certain standby shifts are designated as "critical" where the employee must report immediately upon being called to perform a service which cannot be delayed until the next normal working day, and which service is so critical as to frequently mean the difference between life and death.

Standby duty does not count as time worked, except to the extent that an employee is required to, and does actually return to a work place and perform actual service. Employees assigned to standby shall not be entitled to call-back work compensation. An employee contacted through the Agency during standby duty hours and required to perform services without leaving the place of contact, shall receive compensation for such time worked in the same manner such employees receive scheduled overtime compensation. To be eligible for such compensation, employees must be authorized and ordered by the Agency to perform such services.

- A. To be eligible to receive standby compensation, an employee must actually be assigned to a position which has been designated by the appointing authority and approved by the Chief Administrative Officer as an official standby, or critical standby, position.
- B. Compensation: Employees who serve a standby shift shall be paid the equivalent of one (1) hour's compensation for each normal standby shift, provided such shift is not longer than the employee's normal workday. A normal workday is defined as eight (8) hours. Employees who serve a critical standby shift shall be paid the equivalent of two (2) hours compensation for each critical standby shift. Change to standby shifts shall not qualify an employee for non-routine shift change premium.

Section 5. Available Time

A. Available Time Defined

Available time means that an employee has requested to be considered for hours of work in addition to his/her routine work schedule during which such employee can be contacted by telephone for immediate return to duty to perform an essential service.

- B. Available time shall not count as time worked, except to the extent that an employee is required to, and does perform actual service. Such time performing actual service shall be compensated at the employee's regular overtime rate.

Section 6. Non-Routine Shift Change Compensation

This provision is applicable to employees who work shift schedules of other than the normal eight to five working hours, and which schedules are routinely established in advance as to hours and days to be worked. It may become necessary upon occasion for Management to change the employees' shift hours or day off to meet operational

ARTICLE 5. HOURS OF WORK AND COMPENSATION (Cont'd)

needs or cover for unscheduled absences. When this occurs, the affected employee will be given notice. When this notice is given in less than fourteen (14) calendar days, the employee will receive a thirty dollar (\$30) premium.

Section 7. Temporary Assignment Compensation

When the appointing authority determines it is necessary to cover a position from which the incumbent is absent or which is temporarily vacant for any reason, the appointing authority may assign an employee in a lower class covered by this agreement to temporarily perform the duties of the vacant position in a higher class in accordance with the following:

- A. A written request shall be submitted by the appointing authority, prior to the assignment (or in an emergency within five (5) working days thereafter), to the Director, Department of Human Resources.
- B. The Director, Department of Human Resources, has approved the appointing authority's request for temporary assignment.
- C. The employee proposed to be assigned to the higher class is qualified to perform the duties of the higher class.
- D. The employee will remain in his/her current class during the time he/she is assigned to perform the duties of the higher class. At the conclusion of such assignment, the rate shall return to the normal rate for the employee's current class. An employee who is temporarily assigned to the duties of a higher class and who terminates or is terminated from County service during such assignment, shall be paid terminal benefits at the rate appropriate to such employee's current class.
- E. The assignment must be for over two (2) weeks but must not exceed twenty-six (26) weeks. Employees on temporary assignment, after two (2) weeks, will be compensated from the first day of appointment.
- F. The employee so assigned shall be compensated by receiving, in addition to the base rate of compensation which has been established for his/her current class, a "bonus rate." This bonus rate shall be the difference between the rate of compensation for his/her current class and that of the higher class.
- G. The amount of the "bonus rate" in "F" is determined by:
 1. Equating the employee's current hourly rate with the same hourly rate in the higher class and advancing one step; or
 2. If the higher class does not contain an hourly rate that equates with the employee's current hourly rate, then the "bonus rate" shall be determined by setting the compensation one step above the next highest hourly rate in

ARTICLE 5. HOURS OF WORK AND COMPENSATION (Cont'd)

the higher classification; provided, however, that the higher rate of compensation shall be set at the entry step when the entry step of the higher class exceeds the top step of the current class by a percentage difference of five percent (5%) or more when rounded to the nearest tenth of a percent.

- H. In the event an employee has been assigned to perform the duties of a vacant position or for a temporarily absent incumbent in a higher class for over two (2) weeks, the employee may make a request directly to the Group Human Resources Director to be declared eligible for "temporary assignment compensation." If the Group Human Resources Director, with the approval of the Director, Department of Human Resources, deems the employee is qualified to perform the duties of the higher class, and the employee has been on temporary assignment for over two (2) weeks, the employee so assigned will be compensated in accordance with Paragraphs E and F above. The assignment must be for over two (2) weeks but must not exceed twenty-six (26) weeks.

ARTICLE 6. WORK PREMIUMS

Section 1. Calculation of Work Premiums

Work premiums designated as bonus rates and which are stated as a percentage, shall be added to the employee's basic hourly rate of compensation. When more than one premium is applicable, each premium shall separately be added to the employee's basic hourly rate. Premiums shall not be pyramided or compounded.

Work premiums designated as biweekly dollar amounts shall be added in a lump sum to the employee's biweekly compensation without regard for the employee's basic hourly rate.

Section 2. Bilingual Premium (All languages)

The appointing authority may assign a qualified employee to perform bilingual duties in positions which have been identified and designated as requiring such bilingual skills. The Agency will recommend the effective date for bilingual pay as the date the employee is assigned such duties, or passes the bilingual proficiency test, whichever is later. In order to ensure an adequate level of bilingual proficiency, the Director, Department of Human Resources, may require periodic evaluation of incumbents receiving bilingual premium.

Class A: Effective June 23, 2006, the rate for Class A bilingual skills is forty dollars (\$40) biweekly; fifty cents (\$0.50) per hour for eighty (80) hours of paid service - thereafter, the FLSA regular rate for overtime shall apply. Section 3. Retention/Recruitment Bilingual Premium (All languages)

The appointing authority may assign a qualified employee to perform bilingual duties in positions which have been identified and designated as requiring such bilingual skills. The Agency will recommend the effective date for bilingual pay as the date the employee is assigned such duties, or passes the bilingual proficiency test, whichever is later. In order to ensure an adequate level of bilingual proficiency, the Director, Department of Human Resources, may require periodic evaluation of incumbents receiving the premium.

Class A: Effective June 23, 2006, the rate for Class A bilingual skills is sixty dollars (\$60) biweekly; seventy-five cents (\$0.75) per hour for eighty (80) hours of paid service - thereafter, the FLSA regular rate for overtime shall apply. Section 4. Bilingual Premium (Protective Service Worker/Social Worker Recruitment/Retention)

The Health & Human Services Agency will recommend the effective date for bilingual pay as the date the employee is assigned such duties or passes the bilingual proficiency test, whichever is later. This time may be taken beginning in Payroll 03 at a time agreeable to both employee and the appointing authority. An employee may

ARTICLE 7. PAID LEAVES (Cont'd)

accumulate a maximum balance of twenty-four (24) hours of floating holiday time. Any balance that exceeds twenty-four (24) hours will automatically be reduced to the 24-hour maximum accrual limit.

All non-FLSA compensatory time balances shall be paid off at the final hourly rate in the event of the death of the employee.

These holidays are not subject to terminal leave pay.

B. Eligibility for Holidays

Only employees paid at a biweekly rate are entitled to paid holidays. Employees who are on paid status the entire work day before as well as the entire work day after a holiday shall receive compensation for eight (8) hours of holiday time, which time shall be considered as hours worked. Permanent part-time employees' compensated holiday time shall be equivalent to one-tenth (1/10th) the number of regularly scheduled hours in that employee's biweekly pay period during which the holiday occurred.

C. Compensation for Holidays Worked

For working a holiday on an employee's regularly scheduled day, employees working in a class designated to receive cash payment or compensatory time off for overtime at one and one-half times their hourly rate, shall earn, for each hour of the holiday worked, compensatory time off equivalent to the number of hours actually worked but not to exceed one-tenth (1/10) the number of hours in that employee's normal biweekly pay period. In addition, such employees shall receive cash compensation at one-half time rate for the number of hours compensatory time off was earned. 2. For working on a designated holiday that falls on an employee's regularly scheduled day off, employees working in a class designated to receive cash payment for overtime at one and one-half times their hourly rate, or in a class eligible to receive overtime premium compensation, the employee shall receive cash at the rate of one and one-half times for all hours worked, not to exceed one-tenth (1/10) the number of regularly scheduled hours in the employee's biweekly pay period. Hours in excess of one-tenth (1/10) of the number of regularly scheduled hours in the employee's biweekly pay period shall be compensated pursuant to Article 5, Section 2, Overtime Work and Compensation.

Instead, the employees, who are assigned to work shifts on December 25 and January 1, will receive holiday compensation pursuant to Sections 1.C (1) & C (2) above on those dates. For employees who do not work on December 25 and January 1 because these holidays fall on the employee's regularly scheduled day off, these employees shall not be covered by Article 7, Section 1.C, but will receive the equivalent of one-tenth (1/10th) the number of regularly scheduled hours in the employee's biweekly pay period.

Section 2. Vacation

Vacation is paid time off earned by eligible employees.

A. Eligibility

To earn vacation credit, or become entitled to take vacation, an employee must be paid at a biweekly rate.

Where the rate of pay of an employee is changed to an hourly, per diem, per clinic, per license issued or any other rate of pay other than a biweekly rate, such employee shall not be entitled to any vacation and shall discontinue earning vacation credit. Such employee shall be paid the monetary value of all his/her unused vacation credit and for any vacation earned but not yet credited to him/her at the time of the change in his/her rate of pay.

ARTICLE 7. PAID LEAVES (Cont'd)

An employee's vacation earned becomes available for use as it is accrued, and may be used in the payroll period following the payroll period in which it was earned. However, no vacation credits shall be eligible for terminal payment until the employee has completed a minimum of one year (twelve (12) months) of continuous paid service in his/her current employment except when the separation is because of layoff.

B. Earnings

Eligible employees earn vacation credit as follows:

Years of Continuous Service During Present Employment	Vacation Credit For Each Hour of Regularly Scheduled Paid Service	Hour/Day Equivalent For Employees Over One Year (26 Biweekly Pay Periods)	Approx. Full-Time
Less than 5	3.846% of working hour	80 hrs./10 work days	
5 to 15	5.769% of working hour	120 hrs./15 work days	
15 or more	7.692% of working hour	160 hrs./20 work days	

The rate of earned vacation shall be changed at the beginning of the pay period following entitlement to such change. Vacation credit is accrued and may be used in tenths of hours.

When an employee is reinstated after layoff or disability retirement, the continuous service date held immediately prior to the layoff or disability shall be used for vacation computation.

Paid holidays immediately preceding, immediately following or wholly within the vacation period shall not be charged as vacation except that when the eligible employee is paid the monetary value of vacation or granted pre-retirement terminal vacation such paid holidays shall be charged as vacation.

C. Granting Requests, Schedules

The appointing authority determines the time and duration of vacation taken by the employee. Therefore, the advance consent of the appointing authority is required to be obtained by an employee prior to using vacation.

Vacation schedules shall be arranged with particular regard to the needs of the service, and, so far as possible, with the wishes of the employee.

ARTICLE 7. PAID LEAVES (Cont'd)

Whenever possible, vacation will be scheduled as requested by the employee. If requested, a response to the employee's request for vacation will be made within fifteen (15) working days.

Vacation may be authorized for unexpected personal needs. However, this provision shall not be construed to relieve the employee of the responsibility of obtaining advance approval.

D. Maximum Allowable Accumulation

1. The balance of an employee's vacation credits of record (including vacation earned but not credited); hereinafter "accumulation" shall not exceed an amount equal to twice the annualized current vacation earnings rate of the employee. This is the employee's "Maximum Balance."
2. In any payroll period, an employee shall earn vacation equal to the lesser of:
 - a. The amount specified in Section 2.B above; or
 - b. The amount of earnings necessary which, when added to the employee's existing accumulation, will cause the accumulation to equal the employee's Maximum Balance.
3. If, at the end of any payroll period, an employee's accumulation equals or exceeds the employee's Maximum Balance, no vacation credits shall be earned by the employee for that payroll period.
4. The County shall provide one-time notification to employees who have reached eighty percent (80%) of their Maximum Balance. Employees who subsequently reduce their balance below eighty percent (80%) will be notified again on a one-time basis upon reaching eighty percent (80%) of their Maximum Balance.

E. Vacation Credit Paydown

An appointing authority may authorize a portion of an employee's vacation credits to be converted to a cash payment under the following circumstances:

1. The employee's vacation balance has exceeded an amount equal to eighty percent (80%) of his/her Maximum Balance; and
2. The employee is, or imminently will be, foregoing vacation credit accruals due to reaching the Maximum Balance; and

ARTICLE 7. PAID LEAVES (Cont'd)

3. The employee has used one-half (50%) of his/her authorized annualized vacation accrual for the period inclusive of Payroll 07 of the previous fiscal year and Payroll 06 of the current fiscal year; and
4. The employee has requested, and been denied, use of vacation prior to reaching his/her Maximum Balance.
5. The paydown shall be limited to an amount which will leave a remaining balance of no less than seventy-five percent (75%) of the Maximum Balance.
6. When an employee is to be paid or credited the monetary value of vacation, such compensation shall be made on the basis of the employee's basic rate of pay at that time plus those applicable premiums or bonuses which are being paid as part of the employee's hourly rate at the time of separation exclusive of any biweekly fixed dollar amount premiums and any other premiums specifically identified as excluded from terminal payout.

F. Extraordinary Work Load Exception

Notwithstanding Section 2.E (3) above, an employee who is assigned to a major project or significant workload for which the project or work related activities extend over twelve (12) continuous months or more and the employee is, or imminently will be, foregoing vacation credit accruals due to reaching the Maximum Balance, may have vacation credits converted to a cash payment as described in Section 2.E above.

G. Injury Leave Exception

Notwithstanding Section 2.E.3 above, an employee who is on injury leave as defined in Section 5 below for a period of six (6) months or more within the last twelve (12) month period and the employee is, or imminently will be, foregoing vacation credit accruals due to reaching the Maximum Balance, may have vacation credits converted to a cash pay payment as described in Section 2.E above.

H. Vacation Credits at Separation from County Service

At the time an employee is separated from the County service, the monetary value of all vacation entitlement shall be paid. An employee retiring from County service may be granted a terminal vacation in lieu of being paid its monetary value. An employee on terminal vacation shall not earn any vacation credit.

When an employee is to be paid or credited the monetary value of vacation, such compensation shall be made on the basis of the employee's basic rate of pay at that time plus those applicable premiums or bonuses which are being paid as

ARTICLE 7. PAID LEAVES (Cont'd)

part of the employee's hourly rate at the time of separation exclusive of any biweekly fixed dollar amount premiums and any other premiums specifically identified as excluded from terminal payout.

Vacation Credits

All employees shall participate in the County's Terminal Pay Plan (Plan). However, only the terminal paychecks (including unused vacation) of those employees who have reached the age of fifty-five (55) shall be placed into the Plan. These terminal paychecks shall be placed into the Plan on a pre-tax basis in accordance with the Plan, all applicable laws and all rules and regulations applicable to the plan.

An employee may also be granted up to a maximum of eighty (80) hours of paid sick leave in a twelve (12) month period for the purpose of caring for a member of his/her immediate family (as defined in Paragraph C below) who is ill or injured. In addition, if the employee requests paid sick leave in excess of eighty (80) hours in order to care or

B. Earnings

Eligible employees shall earn sick leave credit at the rate of five percent (5%) of the employee's regularly scheduled hours per pay period. The hour/day approximate equivalent sick leave accrual for full-time employees over one year (26 pay periods) is one hundred and four (104) hours, or thirteen (13) days. Sick leave is credited in units of one-tenth (1/10th) of one hour, up to a maximum of four (4) hours, at the beginning of the pay period following the one in which it was earned.

Sick leave is available the first day of the pay period following the pay period in which it was earned, and is taken in units of one-tenth (1/10th) of one hour. Use of sick leave is subject to the approval of the appointing authority. Upon request of an employee, the appointing authority may allow the substitution of five (5) or more days of sick leave for paid vacation, if the employee was ill or injured.

E. Request for Sick Leave

Each request for sick leave shall set forth the reasons for the request and such further information as may be required. For employees who have used fifty-two (52) or more hours of sick leave in a calendar year, each subsequent request for more than five (5) consecutive work days or forty (40) hours, if employee is on an alternate work schedule, shall be accompanied by a doctor's verification or other evidence satisfactory to the appointing authority which demonstrates the employee's incapacity to return to work or necessity to be absent. A request because of the death of a member of the employee's immediate family will not require such verification.

ARTICLE 7. PAID LEAVES (Cont'd)

Upon request of the appointing authority, an employee shall be required to provide the above-described verification of the proper use of sick leave at any time prior to the expiration of five (5) consecutive work days, if the appointing authority has good cause to require such earlier verification and has so informed the employee.

F. Compensation for Unused Sick Leave

1. Employees, who enter County service after June 30, 1979, shall not be eligible for compensation for any of their unused sick leave credits.
2. An employee with ten (10) or more years of continuous service during that employee's present employment who retires, voluntarily terminates, dies, discontinues earning sick leave credits by reason of that employee changing from being paid at a biweekly rate, is elected to County office, or is laid off, shall be paid twenty-five percent (25%) of that employee's accumulated sick leave credits. An employee who received such compensation shall have no right to restoration of any sick leave credit upon return to County service.
3. Employees who earned County service prior to July 1, 1979, and in accordance with the above provisions, shall be compensated for their unused sick leave credits as determined by the following payout ranges:

4. All employees shall participate in the County's Terminal Pay Plan (Plan). However, only the terminal paychecks (including unused sick leave, if applicable) of those employees who have reached the age of fifty-five (55) shall be placed into the Plan. These terminal paychecks shall be placed into the Plan on a pre-tax basis in accordance with the Plan, all applicable laws and all rules and regulations applicable to the Plan.

2. Waive receiving full cash payment under Section 4.F and convert their eligible hours under Section 4.G.

I. Calculation of Compensation for Unused Sick Leave

When an employee is paid the monetary value of sick leave as provided above, such compensation shall be calculated on the employee's basic rate of pay at that time plus those applicable premiums or bonuses which are being paid as part of the employee's hourly rate at the time of separation exclusive of any biweekly fixed dollar amount premiums and any other premiums specifically identified as excluded from terminal payout. Such calculation shall not include any increase in pay which would have occurred had the sick leave been granted, nor shall it include payment for any holidays.

Restored credits shall be computed on the basis of the employee's wage rate granted as sick leave during the time of absence. Credits shall be restored in full hour units with fractions of an hour disregarded.

Section 5. Injury Leave

Injury leave is paid leave granted to a biweekly employee while disabled and unable to perform his or her job duties because of a job-related injury, entitled to Workers' Compensation temporary total disability benefits, and is not ineligible under one or more conditions listed in Section 5.A. herein. ARTICLE 7. PAID LEAVES (Cont'd)

If the employee becomes eligible for injury leave, it shall commence on the date determined by the Director after an investigation. Any sick leave, compensatory time, or other paid leave used in lieu of injury leave after such date of commencement, shall be restored to the employee's balance(s), except that if the difference between the paid leave used and the injury leave for the same time period requires that employee reimburse County, the difference shall be deducted from the balances restored, to the extent available.

1. The immediate removal of the employee from the County work site is essential to avert harm to the County (including unauthorized destruction or removal of any property or records of the County), the public, other County employees, or the employee himself or herself, and that such circumstances are sufficiently unclear to make a final determination without an investigation of whether the employee contributed or may contribute to such harm.
2. The removal of employee from the County work site is essential to ensure the conduct of a full, fair and complete investigation of such emergency or extraordinary circumstances.

Such notice may be oral, but must be memorialized in the form of written notice which shall be provided to the employee. A copy of this notice shall be sent to the Director and the Payroll Division of the Auditor and Controller.

F. Duration

Administrative leave may be extended for additional working days if more time is needed to complete the investigation, subject to the approval of the Director. The employee shall be notified of any extension of the administrative leave. Such notice may be oral, but must be memorialized in the form of written notice which shall be provided to the employee prior to the end of the extension of the administrative leave. A copy of this notice shall be sent to the Director and the Payroll Division of the Auditor and Controller.

Employees employed on a part-time basis and who are regularly scheduled to work one-half time or more (forty (40) hours or more in an 80-hour biweekly pay period) and paid on a biweekly pay basis shall be eligible for insurance benefits.

A. Flexible Benefits Plan

ARTICLE 10. EMPLOYEE BENEFITS (Cont'd)

A flexible benefits plan, which is in accordance with Section 125 of the Internal Revenue Code, was implemented for eligible employees covered by this Agreement on October 1, 1990.

1. Plan Design. The flexible benefits plan is a cafeteria-style benefits program wherein the County makes a contribution toward the Flexible Benefits Plan for each eligible employee to be allocated during the employee's active employment. The County contribution is distributed by the employee among the menu of benefit options listed below, the specific details and administration of which are set forth in the plan brochures:

"Core" Benefits:

- Health insurance
- County basic life and AD&D insurance

Optional Benefits:

- Dental insurance
- Vision insurance
- Supplemental life insurance
- Supplemental accidental death and dismemberment insurance (AD&D)
- Flexible spending accounts for pre-tax reimbursement of qualified medical and/or dependent day care expenses. Account credits must be used during the plan year in which they are earned for expenses incurred during the same plan year.
- The plan may be modified upon written notice by the County.

This plan includes for eligible employees pre-tax contributions for all monies paid toward health, dental, vision and/or voluntary AD&D plans.

2. Coverage

All eligible employees are required to have the following minimum "core" benefits for the employee only:

- County health insurance unless properly waived
- County basic life and AD&D insurance

Coverage by County Spouse

An eligible County employee married to another eligible County employee and who submits satisfactory "proof of health insurance" coverage may elect health insurance coverage as a dependent under the spouse's primary plan. In such a case, the employee covered as a dependent will have the "employee only" County contribution amount available to apply

ARTICLE 10. EMPLOYEE BENEFITS (Cont'd)

toward the employee's Flexible Benefits Plan during the employee's active employment.

Proof of Coverage

Employees who submit satisfactory "Proof of Health Insurance Coverage" may elect not to be covered by the County's health insurance plans. This election may only be made during the County's open enrollment period or during the year as the result of a qualifying "change in status" as defined by Section 125 of the Internal Revenue Code. For employees waiving primary participation in a County-sponsored health plan, the County's contribution will be deposited into the employee's Flexible Spending Account.

Domestic Partner

An employee may elect to cover a Registered Domestic Partner or Non-registered domestic partner under the County's health, dental or vision plans. To cover a Registered Domestic Partner, the employee must submit a copy of the State Registration Certificate to Employee Benefits. Any premium paid by the County on behalf of the Registered Domestic Partner or the Registered Domestic Partner's dependent(s) will be considered taxable income for Federal taxes pursuant to the provisions of the Internal Revenue Code, and the California Revenue and Taxation Code, but will not be taxable for State taxes. To cover a Non-registered domestic partner or the non-registered domestic partner's dependent(s), the employee must meet and agree to the specifications set forth on an "Affidavit for Enrollment of Domestic Partners". The employee must submit the affidavit to the Employee Benefits Division of the Department of Human Resources. Any premium paid by the County on behalf of the domestic partner or the domestic partner's dependent(s) shall be considered taxable income to the employee with domestic partner coverage pursuant to the provisions of the Internal Revenue Code. Employees should contact their tax professionals for further explanation of how their income taxes will be impacted.

3. County Contribution Toward Flexible Benefits Plan

Insurance premium costs shall be borne by the employee excepting that the County shall make the following contribution toward the Flexible Benefits Plan (which includes health insurance). The employee's insurance premium costs will be reduced by the amount the employee elects to distribute to his or her insurance premium costs from the County's contribution toward the Flexible Benefits Plan. The County's contribution toward the Flexible Benefits Plan shall be:

forms within the month of hire. If completed forms are not received by the end of the month of hire, benefits will be effective the first day of the month following receipt of completed forms. All forms must be received in the Employee Benefits Division within thirty (30) days of hire in order for benefits to commence. Eligibility shall terminate on the last day of the month in which an employee last had paid service provided that the employee's portion of the health insurance premium is paid for such period.

Employees who do not submit completed enrollment forms within forty-five (45) days of hire will be automatically enrolled in the County's least costly health plan.

Notwithstanding the above, eligibility for all flexible benefits plan features which are in addition to health insurance shall be thirty (30) days after the effective date on which health insurance coverage begins.

5. Employee Insurance Coverage During Leaves of Absence

- a. Life Insurance. Employees on leave without pay for any reason, including suspension, may continue their life insurance coverage for up to six (6) full months.

Employees choosing to continue their life insurance may do so for up to six (6) months while on leave. Employees must elect and make payment to continue their life insurance within thirty (30) days from the date placed on unpaid leave. Premiums thereafter must be paid by the end of the month in which the employee had coverage.

Employees may pay all premiums required for the entire six (6) month leave period in advance. In the event an employee who is on leave without pay does not pay premiums in advance of the end of the month, the coverage shall be discontinued. Such employees shall be entitled to re-apply upon return to work subject to medical insurability acceptable to the insurance provider.

- b. Medical Insurance (Includes Health Insurance) During Leaves of Absence. During leave without pay, and in accordance with the Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1986 (Pub. L. 99-272), employees may continue their health insurance coverage for up to eighteen (18) full months following the month in which the leave commenced.

In the event an employee who is on leave without pay does not pay medical insurance premiums in advance, the coverage shall be discontinued. Such employees shall be automatically re-enrolled in

ARTICLE 10. EMPLOYEE BENEFITS (Cont'd)

the same health plan enjoyed previous to leave without pay, within thirty (30) days from the date they return to work.

Effective date of coverage will be the first day of the month following receipt of enrollment forms in the Employee Benefits Office. With certain health plans, re-enrollment is contingent upon medical insurability.

The commencement of leave without pay shall be considered a "qualifying event" as defined under COBRA by virtue of the employee's reduction in working hours. Employees who elect coverage under COBRA by choosing to continue their medical insurance shall pay one hundred and two percent (102%) of the applicable premium and shall be subject to the same administrative requirements as all other COBRA group plan members. Premiums will be calculated and paid by the employee at least one (1) month in advance.

- c. The administration of these benefits is subject to the rules and requirements of the Department of Human Resources.
6. Flex credits not designated for eligible services are placed in the employee's health FSA. IRS regulations establish annual maximum limits for flexible credits which may be rolled over to an FSA. An employee is not entitled to flexible credits that, when rolled over to an FSA, exceed the maximum limits allowed by law. Any employee who is expected to have flexible credits rolled over to an FSA that will exceed the maximum limits shall have their bi-weekly flex credit contributions adjusted to an amount, that when calculated on an annual basis, will be equal to the maximum allowed by law.

Notwithstanding the above paragraph, if an employee experiences a "qualifying event" as defined by IRS and HIPAA Regulation, or has a triggering event that impacts flex credits, that employee will be allowed to change their status and have their flex benefits recalculated so as to maximize or recoup any retroactive flex benefits previously adjusted, in order to realize the maximum value of the flex benefit contribution, subject to IRS limitations.

B. Life Insurance

The County's Flexible Benefits Plan shall include, as a "Core" Benefit, Life Insurance for each eligible employee in the amount of ten thousand dollars (\$10,000) for the employee and two thousand dollars (\$2,000) for each dependent.

ARTICLE 10. EMPLOYEE BENEFITS (Cont'd)

C. Deferred Compensation

Employees shall be eligible to participate in the Deferred Compensation Program provided and administered by the County or the County's selected administrative agent (or agency).

D. State Disability Insurance (SDI)

Employees covered by this agreement shall participate in the State of California's plan for State Disability Insurance (SDI) as the result of an election by the Social Welfare Unit on March 12, 1981. All premiums required by the State for SDI shall be automatically deducted from the pay of covered employees by the Auditor and Controller and forwarded to the State pursuant to the rules and regulations of the State of California.

Section 3. Health Plan Task Force

A joint union-management committee with equal representation of management and the union shall be established. SEIU, Local 221, shall have four (4) representatives on this Task Force.

This Task Force shall be a standing committee and will meet on a mutually-agreed upon schedule (at least quarterly) to consider issues of health care delivery to employees.

This Task Force shall study activities which have the potential of limiting health plan costs without shifting costs to workers or otherwise reducing levels of benefits or quality of care. The Task Force shall develop recommendations for measures to hold insurance carriers, administrators and hospitals and physicians more accountable for controlling health care costs.

Any changes to the existing health/life insurance programs would be subject to the meet and confer process. In no event during the term of this Agreement will there be a reduction in flex credit contribution by the County or change in benefits unless mutually agreed upon by the parties.

ARTICLE 11. PERSONNEL PRACTICES

Section 1. Personnel Records

The individual personnel file of an employee which is maintained by the County or the agency shall be available for review by that employee or his/her designated representative. Employees shall normally request access twenty-four (24) hours in advance. The employee will be shown all contents of the file except those materials designated confidential by law. Copies will be provided to the employee upon request with reason.

ARTICLE 11. PERSONNEL PRACTICES (Cont'd)

The employee shall have the right to review in advance any document(s) to be filed in the individual personnel file which is adverse to such employee. The employee shall acknowledge review of said document(s) on the copy or attachment thereto or if the employee declines to sign, the supervisor will record such declination in lieu of signature.

At the request of the employee an adverse document will not be filed until said employee has exhausted appropriate appeal rights. If the document is inadvertently filed in the individual County personnel file, the employee may request the sealing of the applicable portion of his/her file by the Civil Service Commission.

Any document that was mistakenly placed in the employee personnel file shall be removed from the personnel file by the Department of Human Resources upon the written request of the employee and the employee's appointing authority.

Any employee shall have the right to rebut in writing material placed in his/her personnel file and such rebuttal shall be added to such file.

Section 2. Disciplinary Action

A. Definition

Disciplinary action, as defined by the County Rules of the Civil Service, will include written reprimand, suspension, demotion, or discharge.

If the Agency believes there is just cause for disciplinary action, the Agency will furnish the employee copies of any documents or written statements used by the Agency in justifying its action and, upon request of the employee, furnish the Union copies of any such documents.

For employees in the Health & Human Services Agency only, Letters of Warning are reviewable under the provisions of the grievance procedure only to step "F," the level of the Agency Head or the Agency Head's designee. Letters of Warning shall not be subject to the arbitration clause of the Grievance Procedure.

When an employee's caseload is over workload standard, such fact shall be taken into consideration in any disciplinary action, and shall be a factor in determining the appropriate level of discipline to be implemented. A workload reduction may assist supervisors in evaluating non-repetitive workload related performance issues. Supervisors may reduce workload while assessing if the problem is one of performance or a result of excessive workload.

B. Disciplinary Representation

At the time of conferences, meetings, or hearings held for the purpose of disciplinary action as defined in Paragraph A, or which the employee believes

ARTICLE 11. PERSONNEL PRACTICES (Cont'd)

may result in disciplinary action, the employee shall have the right to representation, including Union representation.

C. Complaints

When the Agency receives a complaint concerning an employee, the employee will be notified if the Agency decides to investigate the complaint. Employees shall be informed of the nature of the complaint. The investigation will be conducted expeditiously and the employee notified when the determination has been made but no later than thirty (30) calendar days following such determination. This does not include investigation of criminal or potentially criminal complaints. Complaints which have not been investigated by the Agency, or complaint determinations which have not been discussed with an employee shall not be used in an employee's performance evaluation report, in any disciplinary action, or the employee's County personnel file. The name of the complainant will be provided, if known, unless the appointing authority or designee determines there is a necessity for confidentiality.

Section 3. Workload Standards

In order to provide client service at the level determined by the Board of Supervisors, the Agency will establish workload standards consistent with service levels as directed by the Board.

Workload standards and related service levels shall be established through evaluation and analysis techniques commonly accepted as valid methodologies in the measurement of productivity, systems efficiency, and service effectiveness.

Employees who are assigned to a granted public assistance caseload will not be assigned new cases during absences or vacations of more than two (2) days when floaters or SAFs (staff adjustment factors) are not available to cover for the employee.

A. Workload Changes

It is recognized that workload standards may change as a result of Management reviews, Federal and State regulatory changes and/or Federal and State legislation.

When major changes in workload result from Federal or State legislation or regulatory changes, the Agency will implement the changes as required and advise the Union within thirty (30) working days after being notified of such change. If the Union wishes to meet and confer with Management regarding the impact on employees affected by such change, the Union shall notify Management within thirty (30) working days from receipt of such notice.

ARTICLE 11. PERSONNEL PRACTICES (Cont'd)

At the time Management notifies the Union, copies of the Federal and State legislation or regulations which necessitate revision in the workload will be made available to the Union.

When changes in workload or program development result from internal management analysis, or external management analysis (e.g., contract consultants), Management will notify the Union of the results; and, if normally filed with the Board of Supervisors for consideration and approval, will provide the Union with copies of reports concurrent with the filing date. If the Union wishes to meet and confer with management regarding the impact on employees affected by such changes, the Union shall notify management within thirty (30) working days from notification. It is understood that this meet and confer shall be conducted expeditiously.

B. Workload Distribution

Management will assure that workloads will be equitably assigned consistent with the district numerical average caseload within each aid category and between districts. Management will adjust an employee's workload to maintain an equitable workload relative to the workload of employees assigned to a specific aid category. Such workload adjustments will occur when workloads are:

1. Specialized within a single aid category;
2. Combinations of aid categories;
3. Combinations of granted, intake and screening functions within a single aid category.

When the Union asserts there is a significant variation in the equitable distribution of workload within a specified aid category, the Union shall provide written notice to District Management of such assertion. District Management shall within five (5) days of receipt of the notice, meet with the Union to investigate the assertion, and correct the variation if found to exist. Corrective action, if indicated, shall include a written notice to the Union of the steps implemented and/or proposed to alleviate inequitable workload distribution.

When the Union asserts there is a significant variation in the equitable distribution of workload within service offices, locations, or programs, the assertion shall be referred to the workload committee for resolution consistent with the availability of resources and Board of Supervisors policy regarding service levels.

Workload standards for non-English speaking caseloads shall be considered as a specialization within category and shall be adjusted.

C. Labor Management Committee

ARTICLE 11. PERSONNEL PRACTICES (Cont'd)

The County and the Union have entered into an extended term agreement covering many complex issues. However, the parties agree that certain matters are more productively dealt with in an "open forum", where a dialogue can take place between the County and the Union. Especially relevant is the fact that the County has many employees in many locations with diverse needs and problems in delivering quality service and maintaining a satisfactory quality of work life. These facts are not conducive to monolithic, all-or-nothing working conditions and emphasize the importance of more flexibility in addressing mutual concerns.

Therefore, during the term of this Agreement, the parties will dedicate their efforts toward revitalizing and re-empowering the process described herein and, utilizing an "Open Forum/Labor-Management Dialogue" approach to work more cooperatively to resolve both the issues defined herein and to resolve related issues brought forward by either the Union or the County.

The Union shall specifically identify up to six (6) employees as permanent members of the Labor Management Committee. Release time for the permanent members shall be governed by the provisions of Article 2, Section 11. If additional employees are required to discuss specific agenda items, their attendance at the committee meeting will be arranged in advance. The total number of both permanent and additional employees shall not exceed eight (8) in attendance at any meeting. Release time for the additional employees will be granted in accordance with Article 2, Section 11. The committee shall meet regularly but not less than once per month for the following purposes:

1. Provide a forum for employee input to the Agency on problems with workload standards and workload size.
2. Reporting of other related problems regarding attrition rates, employee morale, staffing policies which may impact workload.
3. Monitoring effects of new workload standards or workload standards being tested.
4. Developing agreements and/or recommendations for improving environmental conditions designed to reduce stress and enhance productivity including but not limited to crowding, air conditioning, noise pollution, furniture, files, video display terminals (VDT's).
5. Review of agency reporting methods including standardization among districts and identification of work functions which should be reported.
6. The Agency will make every reasonable effort to provide monthly services Personnel Utilization Reports to the Workload Committee.

ARTICLE 11. PERSONNEL PRACTICES (Cont'd)

7. Among additional items to be addressed by this committee are: Transfers, Alternative Work Schedules, Workload, Telecommuting of Employees, Performance Reports, Employee Recognition Program, and Employee Safety.

When either party identifies an issue for discussion it will submit a written statement to the other party for the agenda of the next committee meeting. A Union member of the committee may be authorized up to four (4) hours release time to investigate the apparent problem in order to clearly identify the content and scope.

Management will respond within 30 days, when possible, to agenda items.

Labor Management Meetings for SW will rotate to various Family Resource Centers for maximum participation.

The Union representatives of the committee shall, upon request, be provided with a maximum of one hour release time immediately before the committee meeting to review their findings.

The County shall provide to the committee any appropriate statistics which are reasonable available.

In recognition that some issues which might come under discussion are resolvable at the Agency level, while other issues might require decisions by the CAO, Board of Supervisors or even combinations including the Department of Human Resources and Civil Service Commission.

By mutual agreement, the members of the committee shall make recommendations to the Director, who may either accept or reject these recommendations. If the recommendations are rejected, the reasons for this action shall be provided to the members of the committee.

The Director may refer the recommendations of the Committee to the Labor Relations Office for interim meeting and conferring under the Meyers-Milias-Brown Act, if that is the only available method of implementation.

Section 4. Union-Management Caseload Committee

In order to provide quality services, the County and the Union recognize that caseloads must be at a reasonable level. A Union-Management Caseload Committee will be formed consisting of representatives of the Union, the agency and labor relations. The committee will work on defining reasonable caseloads and methods of achieving them. Joint recommendations will be submitted to the Director of Health and Human Services Agency for consideration. Information will be provided to the Union on a continuing basis to help monitor existing caseload policies.

Section 5. Safety

ARTICLE 11. PERSONNEL PRACTICES (Cont'd)

The County and the Union agree that safe working conditions are the mutual responsibility of each employee and supervisor. Each employee has the responsibility to immediately report an unsafe working condition to his/her supervisor. The supervisor has the responsibility to investigate an allegation that a working condition is unsafe. The parties agree that the following procedure shall be utilized in promoting a safe work environment for all employees:

- A. All employees shall be entitled, through an appropriate forum, to participate in the development of safety programs.
- B. The County shall provide a list of all safety officers, their department, addresses, and phone numbers to the Union. Such list shall be kept current by the County.
- C. No employee shall be obligated to work in a facility or worksite, with any machinery or on equipment which is not safe.
- D. Any employee who believes that an unsafe condition exists shall report such condition verbally to the supervisor immediately upon discovery of such condition. An employee may bring a union representative as long as it does not interfere with the immediate reporting of the safety issue. The employee shall report such condition to the supervisor in writing as soon as possible. After receipt of a written report, the supervisor shall have the responsibility to remedy the situation or to seek an opinion from qualified personnel in the County whether an unsafe working condition exists. If a determination is made that an unsafe working condition exists, corrective action process shall be initiated as soon as possible.
- E. If the supervisor fails to respond or refuses to initiate the corrective action process, the employee may present the written report to his/her Union steward, or if no steward is available, the Union field representative. Such Union officer shall be entitled to communicate with the appropriate safety officer(s) or, subsequently, the appointing authority's representative to seek a resolution of the issue.
- F. A disagreement between the employee and the supervisor as to whether or not an unsafe working condition exists may be addressed pursuant to the Grievance Procedure. Such grievance shall be processed in an expeditious manner.

Upon receipt of such notice, the Director shall give to the appointing authority, the names of the employees who should be first laid off in accordance with this procedure.

ARTICLE 11. PERSONNEL PRACTICES (Cont'd)

1. Suborganizational Layoff. When the appointing authority so requests, the Civil Service Commission, upon finding that it is in the public interest, may authorize an appointing authority to lay off employees within a division, office, section, institution or other subdivision of an office, agency/department or institution instead of laying off employees from the office, agency/department or institution as a whole. In such case, the foregoing provisions shall be applied to the division, office, section, institution or other subdivisions within which the Civil Service Commission has authorized the layoff.
2. Required Specialized Skills. When the appointing authority so requests, employees who perform required services and possess specialized knowledge, and/or skill not possessed by other employees in the Agency and which are necessary to the operation of the Agency, may be excepted from layoff, as authorized by the Civil Service Commission pursuant to a finding that such exception from layoff is in the public interest.

C. Notice of Layoff

1. DHR Notice to Agency and to Union. Prior to the occurrence of a layoff, the Director, shall provide written notice to the Union when the Agency is notified of any employees covered by this Agreement, who are identified for layoff. This notice shall list all persons in the affected class including the number, class title, seniority rating, and date on which affected employees are to be laid off.

The employee shall be informed that failure to contact or meet with the Director or designated representative within the prescribed period will be deemed a waiver of any objections that might have been raised regarding the list, rating, or ranking;
- h. A statement that the layoff will be effective on the date indicated unless the appointing authority advises the employee in writing otherwise prior to the effective date and time set forth on the notice;
- i. A copy of provisions of Rule XIV of the Rules pertaining to layoff.

The Notice of Layoff shall be approved by County Counsel prior to its distribution to any employee. The Notice of Layoff shall be served, either personally or by mail, on an employee at least thirty (30) calendar days prior to the effective date of the layoff.

ARTICLE 11. PERSONNEL PRACTICES (Cont'd)

Permanent employees shall be laid off according to the layoff ratings, lowest ratings first. The order of layoff within categories 1, 2, and 3, and for permanent employees with equal layoff ratings, shall be at the appointing authority's discretion. Employees on leave shall be laid off or demoted in lieu of layoff as if they were active employees.

F. Seniority

Seniority is the employee's total hours of continuous County service. All service of a blanketed-in employee shall, for the period prior to classification to the position, be credited for seniority purposes whether or not it was continuous. All seniority is lost upon resignation or dismissal. Any employee who has gained permanent status and is laid off, shall, if reinstated, regain his/her seniority credit possessed at the time he/she was laid off.

G. Calculation of Layoff Rating

1. Continuous-service-date to May 23, 1986 ("historical" layoff rating). The purpose of this "historical" layoff rating is to calculate employees' service credit for purposes of the past to the last day of the full pay period beginning May 9, 1986. These points will constitute employee's layoff rating for the past, to which the points calculated for prospective implementation (standard layoff rating) will be added as provided below:

Historical layoff rating: One (1) point for each hour of continuous (unbroken) service from last date employee was hired into the classified service (80 points for each full biweekly pay period).

2. Standard layoff rating. One (1) point for each hour of paid service (excludes all unpaid leaves or periods of suspension but includes short-term voluntary work furlough), after the day specified in (1) above.
3. Formula for combining historical and standard layoff ratings. Employees in classes identified for layoff shall have their seniority calculated as follows to combine historical and standards ratings:

Total historical ratings: _____ Hours
Plus: Standard rating: _____ Hours
Total: _____ Hours/Points

The total of these two ratings shall constitute the employee's official layoff rating.

H. Demotion in Lieu of Layoff

ARTICLE 11. PERSONNEL PRACTICES (Cont'd)

The appointing authority shall determine by class, subject to review by the Director, whether demotion shall be afforded employees as an option in lieu of layoff.

At the request of the appointing authority, a permanent employee shall, in lieu of layoff, be afforded the option of demotion within the same department to a position in a lower class, provided that no such demotion shall in turn require the layoff or demotion from such lower class of any employee whose layoff rating is at least as high as that of the demoting employee. A probationary employee may be afforded the opportunity to accept a demotion within the same department to a position in a lower class provided no such demotion shall in turn require the layoff of any employee in the lower class. Such probationer shall not become permanent in the lower class by this action except by completing a new full probation period in such lower class.

I. Cash in Lieu of Compensatory Time Off

The payment of cash in lieu of compensatory time off for an eligible employee who is laid off shall be in accordance with Article 5, Section 2.C.

J. Eligibility to be Placed on Reinstatement List

A permanent employee who is laid off, demoted in lieu of layoff, or whose Compensation Ordinance position is to be deleted as a result of the Board of Supervisors having had a second reading of an Ordinance amendment to delete the position, shall have his/her name placed on the reinstatement list for the class from which the employee is, or is to be, laid off or demoted in lieu of layoff. Employees shall be on the reinstatement list for three (3) years except that an employee who three (3) times refuses an offer of reinstatement to the class from which he/she was laid off or to a class of equal status, or fails to respond to an offer of reinstatement, shall have his/her name removed from the reinstatement list following said refusal. In addition, if the employee on the reinstatement list is appointed to the class from which he/she was laid off, or to a different class of equal to or greater status than the reinstatement list class, then his/her name shall be removed from the reinstatement list. An employee who accepts an offer of reinstatement to the class from which he/she was laid off shall also be removed from the reinstatement list upon the date of reinstatement. The placement on the reinstatement list shall be determined in the same manner as for the order of layoff except in the inverse order thereof.

Employees on the reinstatement list shall have the first right of reinstatement to any vacancies in any department for the class for which he/she is eligible for such reinstatement, subject to the following:

1. A new probationary period shall not be required of any employee reinstated to the department from which he/she was laid off;

ARTICLE 11. PERSONNEL PRACTICES (Cont'd)

2. A new probationary period shall be required of an employee reinstated to a different department than that from which he/she was laid off, except that failure of probation shall return the employee to the reinstatement list. In no event shall such failure of probation extend the employee's placement on the reinstatement list beyond three years from the date of placement on it;
3. A reinstated employee will regain his/her seniority credit possessed at the time he/she was laid off, which shall count for purposes of vacation accrual, rate and step increase. In addition, the employee's sick leave balance (except for that portion for which the employee was paid cash at the time of layoff), and compensatory time off balance accrued as of layoff, shall be reinstated.

Section 8. Transfers: Health & Human Services Agency

A person who desires to transfer to another office shall make such written request to the Agency Personnel Officer. Acknowledgement to the person confirming receipt of their request will be provided. The acknowledgement notice will be via e-mail or County mail. Upon a vacancy occurring in an office to which qualified persons have requested a transfer, the Agency Personnel Officer shall present a list of names of qualified persons requesting transfer to the appropriate District/Section Chief. Candidates who are interviewed but not selected for a position will be notified in writing of their non-selection. In filling any vacancy, the Agency shall fully consider all requests for intra-agency transfers prior to the hiring of new employees. The above procedure shall be utilized as to requests for transfer within an office except that the written request shall be made to the District/Section Chief or representative he/she designates to handle all such requests.

Transfer opportunities shall be open to all employees within the classification. Employees seeking transfer to a different region or building will be given equal consideration with employees from the region or building in which the vacancy exists. If operational necessities delay a transfer, the affected employee shall be provided a written explanation and timeline as to when the transfer may take place.

Employees who have been administratively transferred may seek a transfer to another position after one (1) year. If approved by the District/Program manager, an administratively transferred employee may transfer sooner than one (1) year.

It is within the discretion of the County to allow a transfer under this policy or to require the administrative transfer of employees.

Section 9. Involuntary Reassignments

ARTICLE 11. PERSONNEL PRACTICES (Cont'd)

For purposes of this section, an involuntary reassignment shall be defined as when an employee's work location is permanently changed, within a department, from one work location to another work location.

1. The County maintains its right to reassign employees.
2. The County shall provide a minimum of one pay-period notice when reassigning employees, unless in urgent cases, in which case, the County shall endeavor to provide as much notice as possible.
3. When the County or a County Department deems it necessary to reassign an employee or group of employees; it shall first seek volunteers from among qualified, eligible employees that meet operational needs before involuntarily reassigning the employee or group of employees.
4. Employees who are on probation are not eligible to request a voluntary reassignment.
5. Nothing in this provision shall be construed to delay the implementation of involuntary reassignments.
6. In accordance with Departmental practices, employees will remain responsible for informing the Department of their desire to be reassigned and identify the desired location(s).
7. Any employee who is reassigned whether voluntarily or involuntarily (excluding administrative transfers) shall not be restricted from applying for or being awarded any position for which there is a posted vacancy.
8. Employees who are involuntarily reassigned, including internal reassignments and administrative transfers, shall have the first opportunity to fill a posted vacancy occurring in the program and location from which they were involuntarily transferred if :
 - a) the employee has requested a reassignment back to the originating program and location; and,
 - b) the reassignment was not made as part of a mandatory rotation; and,
 - c) 6 months has passed from the date of the involuntary reassignment; and,
 - d) the reassignment back to the originating program and location does not negatively impact the operations of the Department.

Unless other extenuating circumstances exist that impact the operations, and in accordance with section 8 a-d above, if more than one employee was involuntarily reassigned on the same date, the appointing authority shall determine which employee fills the vacancy.

Subject to the above provisions, the decision of the Appointing Authority shall be final.

Section 10. Telephones

ARTICLE 11. PERSONNEL PRACTICES (Cont'd)

The basic County policy is that telephones are provided for County business. Employees shall be permitted to receive and place local telephone calls of a personal nature on County telephones, provided such does not result in undue job interference - meaning that reasonable, personal necessity occasionally requires a brief non-business telephone call that does not interfere with County business. Toll calls for non-County purposes from County phones are never authorized.

Employees shall have use of County phones to contact the Union.

Section 11. Performance Evaluation

It is recognized that both the worker and his/her supervisor are responsible to communicate regarding performance expectations particularly when one of them is new or has transferred.

Upon issuance of the employee performance report by the immediate supervisor and upon discussion with the employee, the employee shall have five (5) work days in which to consider the performance rating before signing it. During this period the employee may consult with the Union. The employee may also prepare a written statement to be included with the performance report in the personnel file.

Should an employee feel that an evaluation is unjust or incorrect, said employee may appeal at the agency level, and shall have the right to representation at any meeting or hearing held. An unbiased hearing officer shall be appointed from within the Agency and absent the consent of the employee, shall be outside of the line of authority from the employee through the Bureau Chief.

If a change is proposed to the hearing officer's findings and recommendations, the employee will have the right to meet with the appointing authority, or designee, before a final decision is reached.

When a change is made in a performance evaluation, a new evaluation form with all changes incorporated shall be prepared and forwarded in place of the original. All material from the original evaluation shall be maintained in a separate file apart from the employee's personnel file and shall be destroyed five years from the date of the original appeal finding.

If the actual workload of an employee significantly exceeds reasonable expectations during the rating period for a performance evaluation, such evaluation will contain a discussion by the supervisor of the employee's workload and his/her job performance relative to the workload.

Section 12. Protective Policy

- A. When an employee is personally threatened by an individual(s) related to a case; due to job-related reasons, the employee may request that the Agency conduct a

1. Case re-assignment;
 2. Temporary transfer to other duties;
 3. Other actions as appropriate;
 4. If the investigation shows that the personal threat interfere with the employee's performance of his/her job duties, the Agency may recommend that the County file injunctive Court action against the threatening individual(s) in conformance with Code of Civil Procedure Section 527.6 prohibiting harassment.
- B. When an employee believes that he/she is working with a potentially dangerous person, the employee must notify his/her supervisor of such a belief and the reasons therefore. At the request of the employee, the Agency shall consider providing support personnel for the employee during the time he/she is working with such a person in the course and scope of the employee's duties. No employee shall be required to visit a residence or other location without police back up if information available indicates weapons are present, or recent activity which is likely to pose a threat to personal safety of the employee.
- C. When a supervisor or manager becomes aware that an individual(s) within the scope of an employee's work-related responsibility or another employee at the work site is considered threatening or dangerous to that employee or other identifiable employees, the supervisor or manager shall, as soon as practically possible, inform an employee(s), who has/have a work-related need to know.
- D. Each employee providing field services in the community and not exclusively in an alternative office setting with an assigned desk phone, will be provided with fully functioning cellular phones while in the field which may be used to call for assistance from other county personnel, law enforcement, medical personnel and/or anyone else whose assistance may be required in a critical situation.

Section 13. Drug and Alcohol Use Policy

The County may revise the Drug and Alcohol use Policy prior to the expiration of this MOA and shall provide an opportunity for the Union to meet and confer over the revised policy.

These revisions shall not pertain to random drug testing other than what is currently required by law.

Section 14. Employee Recognition Programs

ARTICLE 11. PERSONNEL PRACTICES (Cont'd)

H. Binding Arbitration of Grievances

In the event that the grievance is not resolved by the Agency Head, the Union may, within thirty (30) days after receipt of the decision of the Agency Head or the Agency Head's designee, made pursuant to Paragraph F, request that the grievance be heard by an arbitrator.

ARTICLE 12. GRIEVANCE PROCEDURE (Cont'd)

K. Duty of Arbitrator

Except when an agreed statement of facts is submitted by the parties, it shall be the duty of the arbitrator to hear and consider evidence submitted by the parties and to thereafter make written findings of fact and a disposition of the grievance which shall be binding. The provisions for arbitration are not intended and shall not be construed to empower an arbitrator to change any condition of employment, specifically covered by the Memorandum of Agreement, or to revise, modify or alter, in any respect, any provision contained in the agreement.
