## **6 pm Labor history - part 2**

**Where:** SEIU Local 221, 4004 Kearny Mesa Rd, San Diego, CA 92111, USA

### **Description:**

Come learn from labor leaders at SEIU Local 221 in the second of a four-part labor-history series. Open to union members and the public, including those who did not attend the first session. Working people and unions have historically brought society up from the bottom. In the face of a changing political and economic environment, we are coming together to remind ourselves of the lessons we have learned in labor, and what is to come. Most of our lasting victories have come when things were at their worst. RSVP to SEIU Local 221 Worksite Organizer Joanna Stewart at [joanna.stewart@seiu221.org](mailto:joanna.stewart@seiu221.org) or call (858) 560-0151 ext. 265.
